Muertos Multiplier Megaways Review

As experienced players will probably gather from the
title alone, Muertos Multiplier Megaways takes you once again to the famous Mexican Day
of the Dead celebration. There are some tacos, nachos and tequila symbols mixed in with
the more typical decorated skulls though, and Pragmatic Play hasn't gone overboard with
the muertos theme like many developers tend to do.

We don't mind really, and especially

not when the features are as engaging and fun as what you get here. Instead of simple
wild multipliers like you might be used to from many games, you get a system where the
wild multipliers multiply the already accumulated win multiplier each time. This can
skyrocket the multiplier on any given spin, and it comes in addition to a more regular
progressive win multiplier in the bonus round.

Muertos Multiplier Megaways Slot Features

The premium symbols pay between 0.75

and 5 x your stake for 6 of a kind wins, and you get Wilds on the top horizontal reel
only. Wilds step in for pay symbols to help complete wins, and they hold no value of
their own. The real fun in this game starts when wilds are part of a win.

Wilds land

with a multiplier of x2 or x3, and they multiply together before being stored in a
meter to the right. New wild multipliers multiply the already stored value, and the
meter multiplier will boost all current and future wins in the same tumble sequence.

Winning symbols are removed via the Tumble mechanic, and this allows for indefinite
extra wins per spin. Everything resets on each new base game spin.

You need 3+ chilli

scatters in the same tumbling sequence to trigger the Bonus Round, and you get a random
amount of free spins from a range that depends on the number of triggering scatters. In
short, you get 5-14, 6-14, 7-14 or 8-14 free spins from 3, 4, 5 or 6 scatter symbols,
respectively. You can gamble for more spins if you win less than 14 free spins, and you
get +1 extra spin per gamble. Losing only once means the whole feature is lost.

The win

multiplier increases by +1 per tumble win throughout the bonus round, and this is in

addition to the collected multiplying wild multipliers that multiply the total win multiplier each time. The win multiplier never resets in the bonus round, and you win 1, 2, 3, 4 or 6 extra spins when you land 2, 3, 4, 5, or 6 scatters in the same free spins tumble sequence, respectively.

Finally, non-UK players, and anyone living in an eligible jurisdiction, can access the Bonus Buy feature. Simply click the Buy Free Spins sign on the left-hand side, and pay 100x your stake for 3, 4, 5 or 6 triggering scatters on the spin that follows. You can gamble for more spins also when you purchase the bonus round.

The 200 Spins Muertos Multiplier Megaways Slot Experience

You get to

see a multiplier boosted wild win in the otherwise dry base game, before we purchase the bonus round close to the 1-minute mark. We got 3 triggering scatters, and this gave us only 5 initial free spins. We therefore choose to gamble, and you can see for yourself how we fared by hitting the play button below.

Review Summary

We have to admit

that Muertos Multiplier Megaways took us by surprise. It looked like a typical Day of the Dead release at first glance, but the feature department is packing heat to say the least. We really like the way the win multiplier keeps building in this game, and it can reach very solid levels also in base game tumble sequences.

This is not least the

case in the bonus round. Not only does it increase by +1 per tumble win, which is hardly unusual for Megaways releases, but any given wild can suddenly double or triple the already accumulated value. Truly massive multiplier boosts are possible this way, and the 10,000x potential seems well within reach despite somewhat low symbol values and a 1 in 21,276,600 probability. Give this one a try if you want to be taken for a Día de Muertos thrill-ride!
