Use the five-spin slot strategy to play up to five spins at various slot machines. It's time to move on to the next machine if you receive non-0 wins. With the five-spin slot strategy, you are simply trying to get a taste of several machines rather than trying to win multiple times on one particular machine.

### King Kong Cash Slot

Rather than following the titular giant ape around the metropolis as he evades capture from the authorities 7 while kidnapping beautiful starlets with glass-shattering screams, the slot invites you to visit King Kong on his home turf.

After loading 7 King Kong Cash online slot, you'll find him chilling out on his makeshift throne in the jungle, and as you 7 spin the reels your goal would be to wake him up – and hope he's ready to dish out some 7 great prizes.

### Fun In The Jungle

King Kong Cash slot game is a five-reel, three-row slot game that plays with 20 paylines 7 and has got all the right elements in place for a fun time. The game has medium-to-high volatility.

With simple but 7 effective mechanics, Blueprint Gaming have created a slot that can hook players in without much fuss. This is all supported 7 by the game's charming look and feel, not to mention the great barrage of bonuses that King Kong has managed 7 to stash away in his jungle abode – all of which we'll elaborate on in this Blueprint Gaming slot review.

### Great 7 Look For Your New Animal Friends

An exotic location and lovable cartoon characters are tough to resist. Blueprint Gaming were certainly 7 clever enough to tap into that vibe with King Kong Cash. Players will find King Kong snoozing in the bottom-left 7 corner of the slot, shaded by palm trees under a blue jungle sky, with spilled shiny coins seen on the 7 opposite corner.

Fun music evoking a gentle tribal vibe plays on each spin, with silence dominating the rest of the time. 7 This is a good stylistic choice, since it helps the atmosphere of the game along without being too in-your-face (or 7 rather, ear).

But perhaps the most impressive of all are the lovingly rendered cartoon characters who make up most of the 7 slot's symbols. Among these one can find a wide-eyed crocodile, a cigar-chomping rhinoceros, an adorably quirky pirate-parrot (eye patch and 7 all) and a bespectacled tiger with a pipe in his mouth.

The remaining symbols take the more traditional route, with the 7 game's logo standing for the high-value symbols while those of less value carry standard play card values with J, Q, 7 K and A.

### Wins Make Up For Low Payouts

At first blush, King Kong Cash slot may appear to have comparatively lower 7 payout rates than other games of this kind. Players can expect payouts of the 5x to 15x range on their 7 bet. King Kong cash has an RTP of 95.8% and the minimum bet is set at 0.20, while the maximum stands 7 at 500. Certainly nothing out of this world for the truly die-hard gamblers. But it makes for a fun time 7 at the slots for the average player.

### King Kong Cash Bonuses

Complementing the overall fun and relaxing vibe of the game are 7 the generous bonuses and features – of which there is a whopping total of eight – split up into two 7 sets. The first set is triggered when the player lands on at least three bonus symbols in the game. This 7 will give way to a random feature.

Among these you'll find the King Kong Trail – a snowballing cash trail allowing 7 you to collect prizes as you go along but beware the bomb! – and the Barrel Blast, in which three 7 identical barrels could lead you to the coveted 'Big Money' bonus feature.

Recalling the more classic image of King Kong are 7 the Empire Free Spins, for which the titular ape scales down the Empire State Building to accumulate Golden Monkey symbols 7 and give way to bigger rewards.

Finally, there's the Golden Kong Free Spins, which takes you to a new set of 7 reels with 40 paylines. Wilds get sticky with each free spin, and you get to pick a barrel after each 7 one – hope for the donkey, and not the bomb!

Meanwhile, the second set of features occurs randomly at any point 7 during the base game.

Among the four features here, players can happen upon the Banana Canon Wilds, during which King 7 Kong gets up off his lazy ass to shoot bananas from his cannon and onto your reels to make a 7 Wild.

There's also the Golden Barrel Super Spin, which spreads the same symbol all over your reels, and the Bonus Boost, 7 which adds scatter symbols giving you more of a chance to secure bonuses.

Finally, there's the King Kong Spin Streak, which 7 happens in two stages. First, you collect special wilds and then a wild spin occurs in which all the accumulated 7 wilds show up on the reel set. The player is to select one of the three barrels over the reels 7 to either spin again or conclude the round.

### King Kong Cash Mobile Slot

Good news for all fans of enjoyable and tastefully 7 designed slots featuring the most popular ape in history, but who also prefer to game on the go. King Kong 7 Cash is available across all platforms: be it desktop, mobile or tablet, this Blueprint Gaming online slot can be enjoyed 7 on all iOS and Android devices.

Blueprint Gaming may not have captured the beast and brought it home for some extreme 7 times at the zoo and on that note, seasoned win-hunters may not be entirely satisfied with the size of the 7 jackpot available here. However, this Blueprint Gaming online slot is still insanely fun to play and gorgeous to look at.
