9The Samsung BIA is a body analyzer that uses bioelectrical impedance analysis (BIA) technology to track body composition based on weight, body fat, body mass index (BMI), skeletal muscle, body water, and basal metabolic rate (BMR) measurements. It is not intended to specifically diagnose or treat a medical condition.

For a limited time only, on Samsung/Shop Samsung App, purchase a new qualifying Galaxy device ("Qualifying Purchase"), send in your qualifying trade-in device to Samsung through the Samsung Trade-In Program, and if Samsung determines your trade-in device meets all eligibility requirements, you will receive a trade-in credit specific to your qualifying trade-in device to apply toward your Qualifying Purchase. Device models that currently qualify for trade-in and trade-in credit amounts associated with those models are available on Samsung and the Shop Samsung App; eligible models and amounts may change at Samsung's sole discretion. To be eligible for trade-in, your qualifying device must meet all Trade-In Program eligibility requirements, which include, but are not limited to, that the device powers on, holds a charge, and does not power off unexpectedly; has a functioning display; has no breaks or cracks in the screen (unless a cracked screen offer applies); has no breaks or cracks in the case; has no liquid damage (whether visible or not); has no other defects that go beyond normal wear and tear; is not on a black list; has a verified FCC ID; has been reset to factory settings; has all personal information removed; has all software locks disabled; and is owned by you (leased devices are not eligible). Anticipated trade-in value will be applied as a credit at time of purchase, but, if you do not send in your trade-in device within 15 days of receipt of your Qualifying Purchase, you will be charged back for the trade-in credit applied to your purchase, or if you send in your trade-in device within 15 days of receipt of your Qualifying Purchase but Samsung determines your device does not meet all eligibility requirements, you will be charged back for the trade-in credit applied to your purchase minus R\$25. Participation in this program does not excuse you from contracts with your carrier or retailer (or any related payments or fees) for the device that was traded in. Limit 1 trade-in per Qualifying Purchase. Samsung reserves the right to modify or discontinue this offer at any time. The Trade-In Program cannot be combined with any other Samsung, carrier or retailer promotions, discounts, or offers unless specifically provided for in the terms and conditions of such offers. Sheffield Wednesday to beat Cardiff @ 5/4

A dramatic last-gasp come-from-behind 2-1 win over fellow Championship strugglers QPR earned resurgent Sheffield Wednesday a third victory in four games. It has moved them to within six points of Huddersfield in 21st and the Owls will hope to maintain that momentum against Cardiff, who have lost four of their last five. The Bluebirds have also failed to score in three of their previous four away matches so a home win kicks off our football accumulator tips.

Charlton to

beat Burton @ 63/100

Charlton sit nine points adrift of a League One play-off place after a six-match unbeaten run. The Addicks must start turning draws into wins though if they are to put a dent into that gap, having shared the spoils four times during that run. Burton, with Gary Mills in caretaker charge following the sacking of Dino Maamria, suffered a fifth defeat on the spin when losing 3-0 at Oxford. The Brewers are winless in seven, picking up just one point and scoring only two goals in the process.

Portsmouth to beat Fleetwood @ 43/100

A four-game winning streak, all without conceding, has helped move Portsmouth seven points clear at the top of League One. It is a perfect response to the surprise 4-0 home loss to Blackpool – their only reverse in the division this season. Fleetwood sit third-bottom following four straight defeats, all without scoring, so a home win is the obvious call here in our football accumulator tips for Saturday.

Morecambe and MK Dons to draw @ 5/2

Morecambe snapped a

four-game losing streak by claiming a draw at home to League Two leaders Stockport before thrashing Doncaster 5-0 away last Saturday. The Shrimps, one place and point from a play-off position, also have a solid home record having lost just once at the Globe Arena this season in the league. Only second-placed Barrow have accumulated more points than MK Dons during their six-game unbeaten run. Mike Williamson's side are just one point behind Morecambe so we are backing a share of the spoils.

Mansfield to win at

Sutton @ 68/100

Mansfield have taken four points from their two games since suffering a first league loss of the season at Swindon. The Stags are fourth, one point behind the automatic promotion places, and will look to pile on the misery for bottom-of-the-table Sutton as we round off our football accumulator tips for today. Sutton sacked manager Matt Gray, who guided the club to promotion to the Football League for the first time in 123 years in 2024, on Tuesday after the 8-0 thrashing by Stockport last Saturday made it five league games without a win.

O primeiro encontro entre os dois astros do boxe na divisão dos pesos-pesados aconteceu no último dia 18, também em apostas de bacará Riad, e quem levou a melhor foi Usyk, vencedor por decisão dividida dos juizes, aumentando seu cartel para 22 vitórias e nenhuma derrota.

O ucraniano unificou os cinturões da Associação Mundial de Boxe (WBA), Organização Mundial de Boxe (WBO) e Federação Internacional de Boxe (IBF), que já lhe pertenciam, e do Conselho Mundial de Boxe (WBC), que pertencia ao seu oponente.

Fury, por apostas de bacará vez, amargou o primeiro revés da carreira, que agora conta 34 vitórias, um empate e uma derrota.
