# Israel-Hamas negotiations continue in the midst of a political betting Rafah

Officials said that, despite the negotiations, Hamas and Israel would not leave the negotiations permanently. An Egyptian official affirmed that the mediation efforts are still in progress to resolve the differences between Israel and Hamas.

While Hamas seeks an end to the war and the total withdrawal of Israeli forces, Israel offers a temporary ceasefire. The Israeli prime minister, Netanyahu, said that Israel will not stop fighting until Hamas is eliminated and all hostages are freed.

## Displacements in political betting Rafah

An Israeli incursion in political betting Rafah last week displaced about 80,000 people, most of whom are seeking shelter in the south of Khan Younis or along the Mediterranean coast in political betting Deir al Balah, both areas without basic services.

The Israeli army instructed about 110,000 civilians to evacuate parts of Rafah, which shelters hundreds of thousands of displaced Palestinians, many living in political betting tents without food, water and adequate sanitary installations.

## Humanitarian aid

Hospitals in political betting Rafah may have to shut down their generators in political betting some days, due to the lack of fuel, and only one bakery is still operating in political betting Gaza, according to the United Nations (UN).

The UN described Rafah as an "active war zone", presenting "serious challenges" for the distribution of aid in the south of the Gaza Strip and further north in the territory.

"We reiterate that the obligation of the parties to facilitate aid does not end at the border or in political betting a delivery zone", said Jens Laerke, spokesperson for the UN humanitarian office in Geneva. "Aid must reach those who need it."
