### Case 1: A Aposta do 83 Bets

Hello, my name is Ricardo, and I'm a 35-year-old entrepreneur living in Curitiba, Brazil. In 2024, I decided to take a risk and invest in the world of online gambling, focusing on sports betting. I created 83 Bets, a platform that aims to revolutionize the way people bet on sports in Brazil. It's been an exciting and challenging journey, and I'm thrilled to share my story with you.

#### Background

-----

I've always been fascinated by the world of gambling, and as a fan of sports, the idea of combining the two seemed like the perfect fit. There was a gap in the market for a platform that offered a unique, user-friendly experience, focusing on live sports betting. After extensive research and development, 83 Bets was born. Our mission is to provide the best online betting experience possible while maintaining a safe and responsible gaming environment.

#### Background on the Founder

-----

As a serial entrepreneur, I have experienced both successes and failures, which have taught me invaluable lessons. I have always been drawn to the fast-paced and exciting world of sports betting. I took a leap of faith, investing time, and capital, and created 83 Bets. It's been an incredible journey, filled with challenges, risks, and lessons.

#### Description of the Case

-----

My vision for 83 Bets was to bridge the gap between the traditional bookmaker and the digital world, innovating the industry in Brazil. We aimed to provide an incomparable user-experience

through a simple, secure, and engaging platform. The odds on the platform are the best on the market, providing users with more opportunities to win big.

To make this a reality, I knew I needed expert help. I enlisted Andre 'the legend' Minenko, a true sports betting guru. Andre's vast knowledge of the sports industry and keen eye for detail made him the perfect partner for 83 Bets. With his guidance, we structured the site to offer users an easy-to-use interface, providing the best user experience, as well as higher and smarter odds than our competitors.

### Etapas de Implementação

-----

To make 83 Bets a reality, we implemented several critical steps:

1. Market Research - We conducted thorough market research to identify gaps in the Brazilian market, analyzing competitors and setting us apart. It enabled us to develop a one-of-a-kind sportsbook focused on delivering an outstanding customer experience.
2. Customer Avatar - By examining user behavior and preferences, we defined a clear customer avatar. This allowed us to tailor our products and services to meet their needs and deliver a unique and intuitive user experience.
3. Secure and Easy-to-Use Platform - We prioritized airtight security and a user-friendly interface, ensuring our platform is secure, and easy to navigate.
4. Attractive Odds - We negotiated highly competitive odds with local and international bookmakers, making 83 Bets the go-to option for sports enthusiasts.
5. Secure Transactions - To guarantee complete security, we integrated cutting-edge technology to ensure all transactions, providing peace of mind for our customers.
6. Advertising - Through careful market research and analysis, we developed a clever marketing strategy. This encompassed affiliations with prominent sports influencers, targeted digital ads, and sports-related event sponsorships.
7. Customer Support - To foster customer loyalty, a group of devoted experts offers round-the-clock help via phone, email, and chat. Providing attentive care helps build trust and confidence in our clients.

### Outcomes and Achievements

-----

83 Bets has been a game-changer in Brazil's sports betting scene. Within a year of our launch, we gained

1. Over 10,000 active users
2. Partnerships with four major national teams
3. Sponsorships of two large-scale sporting events
4. App development for both iOS and Android devices
5. We successfully executed four live events with some of the most significant names in the sports industry
6. Established a substantial presence on social media with over 10,000 followers

Our achievements would have been impossible without the creation of strategic content (such as sector reports and infographics), targeted advertising campaigns, and effective participation on social media, resulting in higher engagement rates. These insights empowered us to acquire and retain customers.

### Challenges and Lessons Learned

-----

The journey has represented excitement.

1. Our significant obstacle has been the legalization of online gaming in Brazil, creating a grey area for sports betting regulations. We're actively researching and connecting with legislators to better comprehend upcoming alterations and safeguard customer protection.
2. We prioritized airtight security and a user-friendly interface. However, with continuous technological updates, we must maintain a cutting-edge state, requiring persisting software upgrading and monitoring.
3. Making the proper changes during platform development was crucial, and thorough attention-to-

detail and regular updates ensure our platform always performed optimally.

4. Misinformation can harm online gaming operations. Striving to debunk the stigma surrounding the industry responsibly has been a critical issue. It demands a concentrated effort to emphasize responsible betting while offering prevalence.

4. To solidify trust with our client base, Our success results from attentive customer service and swift, handy support. Subject-matter experts always respond to questions by phone, email or chat at any time of day. We understand such care conveys confidence and builds loyalty.

5. Sports Involvement: 83 Bets has partnered with popular national teams via live events like Spaceman. Our participation creates a fun experience for spectators and introduces them to a modern way of betting

Startant, Spaceman became a renowned esports champion and official ambassador of 83 bets.

For Brazil's FIFA World rank 5th, Fortune Tiger success story begins with 83bets Through strengthening relationships and encouraging user participation, we build strong foundations within the sports community.

### Lessons Learned

-----

Starting a start-up on a limited budget. Innovate strategies for maximum impact, and there are three important lessons I've learned:

1. Continuous Market Research - Although developing a firm often consumes resources, tracking market developments is essential to understand changed preferences or sector entrants. Adjust your product, employ "differentiators", or reorganize to maintain your position in a progressively cutthroat environment. Growing a business requires ingenuity and adaptability while keeping a tight rein on resource consumption. Devote necessary time and personnel to understand client needs.

2. Targeting Audiences First - Conducting adequate market research to identify your target audience is essential. Utilize appropriate channels, content, and advertising strategies that appeal to your target customer. Building real relationships, provides you establish your sportsbook accordingly, reducing excessive costs and raising customer satisfaction, retention, and positive recommendations.

3. Safe, User-Friendly Environment - Gaming operators must have platforms requiring advanced software licensed by reliable commissions, encryption, random number generators, and 24/7 system monitoring. The website should be is easy to navigate and mobile friendly. Research all features intensively to deliver the best experiences and let technology speak for itself.
