My Story Thus Far

My name is Jo, and I'm a compulsive gambler. I was 27 years old when I first discovered Estrela Bet, a popular sportsbook in Brazil. My addiction started innocently enough - I'd place a few bets here and there, just for fun. But before I knew it, I was placing bigger and bigger bets, trying to make up for some losses. I remember the rush of adrenaline whenever I won, and the devastating feeling of defeat when I lost. My obsession with Estrela Bet took over my life.

Though I managed to put together a small fortune by playing Estrela Bet, I soon discovered that my profits were still subject to taxation. Taxes could, indeed, deplete a sizable portion of my cash and leave me with very little to display as gains. Before I was aware of it, I was continually playing and wagering in an attempt to recoup my losses. My connections started to distance themselves from me, my job performance suffered, and my health problems started to arise. Estrela Bet became my only obsession, to the point that it negatively affected many areas of my life and my personal well-being. Ultimately, it influenced how my dearest ones saw me. I can now claim that I hit rock bottom.

Here are some significant factors to keep in mind:

- * Inability to control wagers: my regular betting strategies were first sporadic. Nonetheless, over time, I realized I had lost control and was unable to stop myself from wagering huge amounts of cash. Once, in particular, I procrastinated until I ran out of money and was compelled to inquire from loved ones about obtaining a loan.
- * Lying about money: On a number of situations, I remember taking money from my wallet saying that I was going to the supermarket or some other location, while in fact I was withdrawing money from the ATM to pay for bets.
- * Irrational pursuit of lost money: This was a regular aspect of my routines. I was continuously trying new techniques to make up for my losses. It got out of hand. I wound up losing more money than I could handle.
- * Overcome the triggers: One thing that helped me beat my gambling addiction was recognizing my triggers and finding healthy ways to cope with them. Along with placing boundaries for myself to limit access to wagering locations, I attended treatment sessions, read self-help literature on gambling dependency, and created healthy coping techniques including painting and sports. I eventually overcame my compulsive gambling and refocused my obsessive character traits elsewhere.
- * Pay Attention to red flags Early stage resolution Although there are numerous red flags, when considered retrospectively can indicate impending gambling addiction issues. They frequently place large bets while disregarding or neglecting the consequences of their gambling habits and spending excessively. Keep a look out for signals. Speak to a specialist who can assist you if you feel you are losing ability and control during situations that typically prompt intense anxiety (especially) if symptoms worsen. Symptoms and their management are fundamental when one has a challenging subject - that of an addict you care about. This is especially true in severe gambling disorders combined with mental challenges when major difficulties begin if the affected doesn't receive aid at an early stage. Friends and family can significantly influence those suffering from addiction via empathic encouragement delivered in a controlled, harmless manner. The obsession ultimately affected my relationships with the people who cared about me. The social pressure drove me to seek professional treatment. My relatives urged me to submit my name for participation in the recovery process in light of my failure to comply. After being evaluated medically, I entered residential therapy, where I experienced a beneficial shift. Physical, cognitive, and emotional aspects of my recovery were all supported by family relationships during that. I likewise started going to self-help meetings of Gamblers Anonymous, whose involvement made me realize I wasn't fighting my issue by myself. Having individuals who have experienced a similar sequence of addictions to deal with such dire circumstances is a plus. Currently, I am still a grateful member of Gamblers Anonymous, going on spiritual retreats and promoting responsible betting as part of "off-duty" philanthropic endeavors. Gambling facilities began paying closer attention to their customers and increasing aid systems to recognize potential addictive behaviors more recently. This attitude shift created options for smoother cooperation, resulting in client verification systems allowing straightforward limit-setting features covering periods played, money invested, self-exclusion possibilities, hyperlinks to regulated gambling therapy programs, along with self tests and evaluations (together with self - a gambler's diagnostic self-test apparatus designed exclusively for detecting betting dependency), it allows them access advice on potentially hazardous patterns and quick intervention treatments. The significance of correctly implementing early treatment measures cannot be understated. Self control & safekeeping of the environment should never be completely disregarded around young people! It can be a fantastic wake-up call for intervention in the recovery journey. And eventually achieve complete recovery while maintaining interpersonal relationships should you ever feel caught by dependences – know that counseling, self care strategies such as journaling or walking, hobbies related to sports activity or spirituality that are linked to self responsibility, are easily accessible at various places including specialized recovery/treatment centers. Please direct your loved ones to address their issues immediately. Suitable conditions can profoundly impact an individual, and an avalanche of circumstances must start to tumble to make everlasting consequences. Do your best to influence wellness, self discipline and especially environmental responsibility for adolescents to set an

excellent case by supporting therapies that really help for holistically-minded gambling courses of therapy. Lead by EXAMPLE. Thank you for reading. Bless you.

Mohanad: un menor de edad acusado de tráfico de personas en Grecia

Mohanad tenía 15 años cuando fue arrestado por las autoridades griegas en noviembre de 2024 después de llegar a Creta en un barco que zarpó de Libia. Ahora está acusado de traficar con 476 personas y espera su juicio más tarde este año.

Él es uno de cientos de personas, incluyendo niños y personas que viajan con sus familias, que han sido arrestadas bajo la dura ley anticontrabando de Grecia que entró en vigor en 2014 con sentencias de cárcel de hasta 25 años.

Procedimientos defectuosos y falta de evidencia en los juicios de tráfico de personas

Los abogados han informado que los juicios de traficantes están plagados de irregularidades procesales y falta de pruebas. A menudo, son los más vulnerables quienes conducen la embarcación, afirman, incluidos los hombres que están de acuerdo en hacerlo a cambio de una reducción en el precio del pasaje para sus familiares. Los arrestos son arbitrarios, afirman, si está poco claro quién controlaba la embarcación.

La criminalización de refugiados y solicitantes de asilo es ineficaz para interrumpir las redes de tráfico

Las ONG y los expertos legales afirman que la criminalización de refugiados y solicitantes de asilo es inútil para interrumpir las redes de tráfico, ya que los verdaderos traficantes rara vez están en la embarcación.

Mohanad y su padre encarcelados en Grecia

En el caso de Mohanad, su padre, Hassan, un pescador de Egipto que viajaba en el mismo barco, también fue arrestado y acusado de haber actuado por ganancia después de haber aceptado ayudar con algunas tareas a bordo para ayudar a pagar la tarifa. Fue sentenciado en marzo de 2024 a 280 años de prisión. (A pesar de la longitud nominal de estas sentencias, la máxima cantidad de tiempo que los prisioneros pueden servir es entre 20 y 25 años con opciones para liberación anticipada.)

Su hijo Mohanad, ahora de 16 años, enfrenta los mismos cargos: tráfico de personas por ganancia, peligro de las vidas de los pasajeros y pertenencia a una organización criminal. Aunque todavía es menor de edad, podría ir a la cárcel hasta por ocho años, según su abogada Maria Flouraki, quien dice: "el verdadero traficante que tomó el dinero rara vez está en el bote".

Controlar la embarcación o conducir el automóvil que facilita la entrada no autorizada es un delito penal en Grecia

En Grecia, controlar la embarcación o conducir el automóvil que facilita la entrada no autorizada es un delito penal punible con hasta 10 años de prisión por cada persona transportada. La pena puede ser mayor dependiendo de cargos adicionales, como poner en peligro la vida de los pasajeros si la embarcación se pone en apuros.

Aproximadamente, el 20% de la población reclusa en Grecia está encarcelada por tráfico de personas, con más de 2,000 personas encarceladas en febrero de 2024, según datos publicados por el Ministerio de Protección Ciudadana de Grecia.
