Focus on the Game

The main game is played with a wheel and colored pockets with alternating black and red. The total number of pockets in European Roulette is 37 (numbered 1 to 36) and a green pocket marked "0". The game is very similar to a real-world casino table. The difference is that it is offered in the comfort of your home. This table game can be played on a personal computer or mobile phone. The goal is simplified to just choosing the number on which the ball will settle.

Graphics and

Sound

There isn't exactly much you can do graphically with a roulette table, but we've definitely tried our best! The table is crisp and clear, with delightful green felt. Ambient music is also played in the background – not too obtrusive, but enough to make you feel like you're in a land-based casino. NetEnt Games tend to go the extra mile for your enjoyment after all!

Betting Rules

When it comes to placing bets, Digital European Roulette is incredibly easy to get to grips with. There's a large payout table on the side of the wheel where you can see the different bet options (see below). Bets can range widely, but it will depend on the bet type you place as to what your odds are, and how much you can win. Changing your bets is super easy – just use the buttons at the base of the racetrack/paytable and then click on the number you wish to place the bet on. As with live roulette tables, you'll be given a specific time when you can place the bets, after which, all bets will be suspended while the wheel spins and the ball bounces along.

Gameplay

Digital European Roulette is easy to play – all you need to do is select your bet, place it and wait for the wheel to be spun. What's really great is you can access the game through your computer or mobile phone, and you'll be on your way to winning big. The themes and features of the game include Autoplay, Dynamic Billboard, Favorite Bets, Hot and Cold numbers, Racetrack, and a Special bets panel. This game was designed for both the experienced and beginner players of European Roulette. The simulation windows are designed with state-of-the-art technology with no lags between placing a bet and winning.

Betting Rules

There are 5 types of inside and outside bets that can be made on European Roulette. Most of the bets offer different chances at winning and different payouts, and this is what attracts players to European Roulette. Outside Bets are recommended for inexperienced players because they are easier to understand, there is less risk and players have a better chance of winning. The disadvantage of Outside Bets is that the payouts are smaller. For more experienced players, familiar with risks that come with the game, Inside Bets are recommended.

Call Bets

There is an additional option of betting that represents the wheel. Call Bets are where the dealer or croupier is allowed to place a bet upon the player's request. There are 3 major types of Call Bets; the Voisin Du Zero (the bet is placed on numbers which are neighbors of zero); the Tiers du Cylindre (the bet is placed on the numbers which are the opposite of the numbers chosen during a Voisins du Zero bet); and the Orphelin, which is a bet placed on the remaining 8 numbers on the wheel.

Conclusion

In a nutshell, the game is designed for both novice and veteran online Roulette players. After all, the experience is without a glitch while playing mobile casinos and desktop casinos. Feel like placing a bet but also want to spend time with family? The answer to this dilemma is our digital version of European Roulette. You get the chance to earn extra cash while you relax at home or even at your favorite place. The digital version of European Roulette gives you the opportunity to have a casino experience without having to leave your seat!

Caballos de la Household Cavalry se escapan e hieren en Londres

Dos caballos de la Household Cavalry que se escaparon y corrieron por las calles de Londres el miércoles se encuentran en condición "grave", según ha dicho un ministro del gobierno británico. Seis soldados y siete caballos participaban en un ejercicio el miércoles por la mañana cuando los animales se asustaron después de que algunas piezas de concreto se desprendieran de una cinta transportadora utilizada en trabajos de construcción cercanos y golpearan el suelo, según el

Ejército Británico.

El ejército dijo en una actualización del X el jueves de que cinco caballos intentaron escapar y cuatro se soltaron. Tres soldados resultaron heridos, pero se espera que se recuperen por completo y regresen al servicio, agregó el ejército.

Estado de los caballos heridos

"Lo que puedo decir es que cinco caballos han sido recuperados por el ejército, de los cuales tres están bien, pero lamentablemente dos de ellos se encuentran en condición bastante grave y continuaremos monitoreándolos", dijo el ministro de adquisiciones de defensa del Reino Unido, James Cartlidge, a una estación de radio local de LBC el jueves.

El presentador Nick Ferrari preguntó si los animales "sobrevivirían", a lo que Cartlidge respondió que "no querría especular", pero los caballos se encontraban en una "condición grave".

El ministro también subrayó que un incidente como este es "muy excepcional", agregando que el ejército tiene caballos en ejercicio en Londres todos los días.

El ministro había dicho previamente a Sky News que los dos caballos se llaman Vida y Quaker.

"Dos de los caballos heridos fueron operados la noche del X jueves, uno de los cuales fue trasladado a un hospital equino", dijo el Ejército Británico el X jueves.

"Nuestros caballos reciben los más altos estándares de atención, y se espera que aquellos que no fueron operados regresen al servicio en debido Curso."

"Queremos agradecer a todos los que han mostrado tal amabilidad y preocupación hacia nuestros soldados y caballos. Proporcionaremos más actualizaciones pronto", agregó la publicación.

Impacto del incidente

Aparecieron imágenes impactantes en las redes sociales el miércoles que mostraban a los dos caballos – uno aparentemente cubierto de sangre – corriendo por Aldwych en el centro de Londres.

Según la agencia de noticias PA Media del Reino Unido, un taxi Mercedes que esperaba afuera del Clermont Hotel en Buckingham Palace Road ````perdió sus ventanas por los caballos espantados, mientras que uno de los animales rompió el parabrisas de un autobús turístico de dos pisos. El Household Cavalry actúa como el guardaespaldas oficial del Rey y participa en deberes ceremoniales. Tiene su base en los cuarteles de Hyde Park, a poca distancia de Buckingham Palace.
