You can pick from over 2500 games, including slots, table games, jackpot games and a live casino. Complete heists for rewards or battle for tournament places in a bonus-packed casino environment, backed by 24/7 multi-lingual support with both fiat and cryptocurrency methods.

Launched in 2024, 5Gringos Casino is owned by Gibraltar-based Buton Ltd and operated on the Soft2Bet platform under a dual licence. For Finland, Estonia and other Pay N Play countries, the operating company is Estolio Ltd under a licence from Estonia. For the rest of the world, it is Rabidi N.V. under a licence from Curacao. Currently, they accept players from most countries except the United Kingdom, the USA and a few others. Check paragraph 2.3 of the terms for a complete list.

UPDATE 23rd November 2024: Zimpler no longer works as a full Pay N Play option at 5Gringos. The process has changed to two steps, register/sign in with Zimpler, complete registration, and make your deposit via Zimpler or other methods. As a result, the casino is not exactly 100% Pay N Play but very close.

UPDATE 12th January 2024: 5Gringos is now again a full Pay N Play casino for players from Finland, Estonia and other countries where Zimpler PNP is available.

The GMBLRS Detective

Logos split the lobby into three sections of Casino, Live Casino and Promotions. A slide-in menu adds Tournaments, VIP, Shooting Gallery, Shop, Heist, Trophy and Support to the mix. Game categories, a provider list and a search function make finding titles easy. The immersive Mexican theme takes your Gringo on a bandito journey of robberies and heists, bombarding the senses with its busy pages.

The Casino holds over 2500 slots, jackpot games and table games, from 50+ providers like Red Tiger, NetEnt, Push Gaming, Pragmatic Play, Relax Gaming, Spinomenal, Fantasma Games and No Limit City, plus many more from a catalogue of classic and new titles.

At the Live Casino, Baccarat, Poker, Roulette and Blackjack tables wait with live dealers from Evolution Gaming, Ezugi, BetGames, Vivo and more. Teen Patti, Speed Baccarat Cricket and VIP Blackjack Surrender are just a slice of the variety you will find at 5Gringos Live Casino.

GMBLRS Tip: Always check the RTP using in-game information. A handful of providers such as Pragmatic Play and Red Tiger create different paying versions of the same title, with casinos choosing which one to host. Smart players pick the higher RTP casinos when given a choice. Three-step registration using the online form makes starting your 5Gringos adventure easy.

Confirm via email and head to the deposits page to choose your payment method, not forgetting to pick your Gringo for a choice of five welcome bonuses, consisting of deposit match offers, cashback or bonus spins.

Payment methods include debit and credit cards, e-wallets, pre-paid cards, bank transfer and instant banking options in both fiat and cryptocurrencies. Be aware these have varying limits detailed on the payments page next to each method. Withdrawal limits at 5Gringos Casino are somewhat lower than average and may not be suitable for all players. Available currencies include EUR, RUB, HUF, NOK, PLN, INR, NZD, CAD, USD, BRL and AUD plus cryptocurrencies BTC, LTC and ETH.

On top of the welcome bonus, 5Gringos Casino gives weekly and weekend reload bonuses plus cashback for both the casino and live casino. Regular tournaments include a slot race, live casino race, slot of the week and top provider. VIP loyalty status is actively achieved by placing real money bets and completing heists. Collect all five Gringo levels for increasing levels of cashback, monthly withdrawal limits and a personal account manager. Completing heists also awards bonus currency, which can be used at the shop or played in the shooting gallery mini-game for bonus spins and extra coins.

Please note a list of bonus-prohibited games exists alongside restrictions for betting style and more within the bonus terms and conditions. Before taking an online casino welcome bonus, make sure you are happy with the terms to avoid any possible discrepancies upon completion. Customer support is on hand with 24/7 multi-lingual live chat, a site contact form and email. For your convenience, 5Gringos Casino can also be loaded in English, German, French, Spanish, Finnish, Hungarian, Norwegian, Portuguese, Russian, Italian, Indian, Polish and Czechoslovakian, plus Australian, New Zealand, Brazilian and Canadian variations.

5Gringos Casino encourages Responsible Gambling with a dedicated page providing useful links and sources for help and general advice. Self-exclusion periods can also be initiated by speaking with customer support. Be aware that self-exclusion may not carry across to other casinos in the group. Please take caution, poorly enforced Curacao licencing offers little or no support for playing under their jurisdiction and 5Gringos Casino provides no tools for limiting your spending or time.

The GMBLRS' Detective Verdict

5Gringos Casino offers plenty of tournaments and promotions, encouraging player involvement with heists and bonuses on a fun-filled Mexican journey. Those into Greek adventures can try its sister site, Posido Casino. The somewhat restrictive bonus terms and lower withdrawal limits may counteract this effort for some. However, the sheer variety and game choice are impressive, and multi-currency options with multi-lingual support staff may be attractive for certain players. Be mindful, there are no deposit, session or time-limiting tools at your disposal.
