Qatari businessman and sports executive

Nasser bin Ghanim Al-Khelaifi (Arabic:

; born 12 November 1973) is a Qatari businessman, sports executive, and former tennis player. He is the chairman of beIN Media Group and Qatar Sports Investments,[1][2] president of Paris Saint-Germain F.C. and the Qatar Tennis Federation, and vice president of the Asian Tennis Federation for West

Asia.[3][4]

Al-Khelaifi is also a member of the organizing committee for the FIFA Club World Cup,[5] and has been elected as the chairman of the European Club Association (ECA).

Early life and education [ edit ]

Al-Khelaifi was born in Qatar, a son of a pearl fisherman,[6] and graduated with an Economics Degree from Qatar University. He also has a post graduate degree in Maritime Studies from University of Piraeus.

Tennis

career [ edit ]

Playing career [ edit ]

As a tennis professional, Al-Khelaifi was the second most successful member of the Qatar Davis Cup team after Sultan Khalfan, playing 43 times between 1992 and 2002 and compiling a 12–31 record in singles, 12–16 in doubles. Al-Khelaifi appeared twice on the Association of Tennis Professionals (ATP) main tour, losing each time in his first round matches in St. Pölten in 1996 (where he lost to former French Open Champion Thomas Muster) and in Doha in 2002. He reached a career-high singles ranking of No. 995 in late 2002.[7][8] He also won the GCC Team Tournament.

Post-playing career [ edit ]

Nasser Al-Khelaifi has been president of the Qatar Tennis Federation (QTF) since November 2008. In 2011, he was elected vice-president of the Asian Tennis Federation (ATF) for West Asia.[9]

Business career [ edit ]

Qatar Sports Investments [ edit ]

Nasser Al-Khelaifi has been chairman of Qatar

Sports Investments (QSi) from June 2011. QSi is a sovereign wealth fund dedicated to investments in the sport and leisure industry on a national and international level.[1]

Following the QSi acquisition of Paris Saint-Germain (PSG) football club in June 2011,[10] Nasser Al-Khelaifi became the chairman of the board of PSG and also CEO of the club,[11] reinforcing Qatari interest in French football.

QSi has several other

high-profile partnerships. QSi also owns the Burrda sportswear brand.[12]

Paris

Saint-Germain [ edit ]

Nasser Al-Khelaifi became the new president and chief executive officer of Paris Saint-Germain on 7 October 2011.[13] Shortly after being named president, he presented a five-year plan to take Paris Saint-Germain to the top of the tree in France and abroad.[14] As part of the long-term plan for the club, Al-Khelaifi brought in former footballer Leonardo as the new director of football.[15]

Although

Al-Khelaifi initially demanded a major trophy haul for the 2011–12 season, PSG were soon eliminated from the UEFA Europa League and both domestic cups, leaving the team only able to spend R\$130 million on players. PSG failed to dominate, and lost out to eventual winners Montpellier, though they qualified for the UEFA Champions League by finishing second.[16]

Zlatan Ibrahimovi unveiled by Paris Saint-Germain sporting director Leonardo (right) and President Nasser Al-Khelaifi (left)

In the 2012–13

season, PSG won the Ligue 1 title and also made it to the quarter-finals of the UEFA Champions League, partly thanks to the goalscoring of newly signed striker Zlatan Ibrahimovi. They eventually lost in a two-legged tie to FC Barcelona on away goals.

In

the 2013–14 season, PSG again finished top of Ligue 1 with a record total of 89 points.[17] They reached the quarter-finals of the UEFA Champions League where they lost to Chelsea 3–3 on aggregate, again going out only on the away goals rule.

Al-Khelaifi (left) with Neymar in August 2024 in the Parc des Princes

In the 2024–19

UEFA Champions League knockout phase, they lost to Manchester United at home after leading with two goals at Old Trafford in the first leg. PSG lost at home 1–3 (3–3 on aggregate) and were knocked out by the away-goal rule.

In June 2012, QSi acquired the

Paris Handball Club and merged it with the PSG sport franchise to create a wider and more competitive sport offer to the city of Paris.[18] Since 2012, Paris Saint-Germain Handball has won the LNH Division 1 five times, while reaching the EHF Champions League final in 2024–17 and the semi-finals in 2024–16 and 2024–18.

BEIN Media Group [ edit

]

On 31 December 2013, Al Jazeera Sport's global operations were spun out of Al Jazeera Media Network (AJMN) and rebranded as beIN Sports.[19] A few months later, beIN Media Group was incorporated and became the official owner of beIN Sports branded networks as well as all other non-news and current affairs assets originally belonging to AJMN.[2]

beIN Sports has 22 channels, including 17 HD channels, and broadcasts across the Middle East, North Africa, Europe, North America, Australia, and Asia. The strategy, aside from building the beIN premium sports network, is to develop the group's ambitions in sports and entertainment in production, distribution, and digital media sectors.[promotion?]

In October 2024, the Swiss courts opened an investigation against him for suspicion of private corruption in the allocation of television rights for the World Cups 2026 and 2030 for the Middle East and North Africa international media market.[20] On 30 October 2024, Nasser Al-Khelaifi was cleared of the case over the awarding of television rights for the World Cup. Al-Khelaifi had been accused of aggravated criminal mismanagement for his alleged part in a corruption trial involving former FIFA general secretary Jerome Valcke. However, Valcke was found guilty of forging documents related to television rights for the World Cup and was fined 24,000 Swiss francs (\$26,500). According to the Swiss attorney general's office, it was alleged that Valcke exploited his FIFA role between 2013 and 2024 to favour media partners that he preferred by providing the media rights for various World Cup and Confederations Cup tournaments.[21]

Political career [ edit ]

In November 2013, Al-Khelaifi was made minister without portfolio in the Qatari government by the Emir of Qatar, Sheikh Tamim.[22]

Legal proceedings [ edit ]

Al-Khelaifi had been charged with corruption in May 2024 after being accused of attempting to buy the rights to host the 2024 World Athletics Championships for Doha.[23]

Al-Khelaifi was charged by Swiss federal prosecutors in connection with a wider bribery investigation linked to World Cup television rights in February 2024. However, Khelaifi stated that he has been cleared of all suspicions of bribery and the case has been dismissed definitively and conclusively. [24]

On 9 March 2024, after Paris Saint-Germain's 1–3 away loss (2–3 aggregate score) to Real Madrid in the 2024–22 UEFA Champions League round of 16, Al-Khelaifi allegedly assaulted a linesman and broke his flag and threatened a Madrid employee with murder.[25][26][27] Following investigation, UEFA cleared Al-Khelaifi of all charges related to the match.[28][29]

Three investigating judges from the Paris court have been appointed in February 2024 to investigate the accusations of kidnapping, sequestration and torture of a Franco-Algerian lobbyist, Tayeb Benabderrahmane, which targeted Al-Khelaifi.[30] And the former lawyer of the lobbyist, Olivier Pardo, stated that the lobbyist stole personal recordings of Al-Khelaifi, of attempting to blackmail Al-Khelaifi for “several tens of millions of euros”. [31]

Awards and honors [ edit ]

In February 2012, he won a French 'Sport Business' award, receiving the most votes out of 1,500 and finishing ahead of nine people.[32]

His growing influence in the sport was recognised in 2024 when he was voted 'favourite Ligue 1 president' in a poll conducted by France Football, with 35% of the votes cast.

In 2024, the French daily sport newspaper L'Équipe named him the 'most powerful man in French football' in a 30-man list, ahead of such notable individuals as Didier Deschamps and Zinedine Zidane.[33][34]

In 2024, he was elected by the European Club Association as delegate at the UEFA executive committee, becoming the first Arab to hold an UEFA position.[35]

In 2024, he was named the most influential person in football by France Football.[36]

In March 2024, Al-Khelaifi was praised by World Health

Organization Director-General Tedros Adhanom Ghebreyesus after offering to help in the global fight against the COVID-19 pandemic by using his players and club to send health advice messages to the public.[37]

Personal life [ edit ]

He is close to the Emir,

Sheikh Tamim, head of sovereign wealth fund Qatar Investment Authority.

He is married,

and has four children who reside in Qatar.[38]

## **China y Australia pueden construir cadenas industriales y de suministro competitivas en el sector de energía nueva**

El primer ministro chino, Li Qiang, dijo el martes que China y Australia pueden construir conjuntamente cadenas industriales y de suministro competitivas en el sector de energía nueva.

Li hizo estas observaciones durante su visita a Tianqi Lithium Kwinana Pty Ltd y Fortescue Metals Group (FMG) y Fortescue Future Industries (FFI) en la ciudad australiana de Perth, acompañado por la ministra australiana de Recursos, Madeleine King, y el primer ministro de Australia Occidental, Roger Cook.

La China y la Australia pueden aprovechar sus ventajas complementarias y explorar sus respectivos potenciales para crear cadenas industriales y de suministro competitivas en energía nueva, ya que los sectores de vehículos de energía nueva y de baterías de litio de China poseen conocimiento técnico, mientras Australia es rica en litio y otros minerales esenciales, agregó.

### **Visita a Tianqi Lithium**

Durante su visita a la empresa, Li escuchó a los ejecutivos de Tianqi Lithium presentar su operación y visitó el depósito de concentrado de litio y el taller de embalaje de productos.

Li observó que las potenciales cadenas industriales y de suministro, basadas en beneficio mutuo, pueden servir al desarrollo de bajo carbono de ambos los países y contribuir también para la transición verde global.

## **Visita a Fortescue Future Industries**

En la FFI, Li escuchó la presentación de los líderes del grupo y visitó un camión de transporte movido a hidrógeno, un reabastecedor móvil de hidrógeno líquido y una locomotora eléctrica a célula que el grupo está desarrollando.

Li expresó que la transición verde y de bajo carbono se ha convertido en una tendencia principal en el desarrollo económico global en los últimos años, agregando que la transformación activa de Fortescue en una empresa de energía y recursos verdes es altamente compatible con el compromiso inquebrantable de China de desarrollar industrias verdes.

También expresó su esperanza de que Fortescue desempeñe un papel activo en el proceso de cooperación de desarrollo verde entre China y Australia.

## **Bienvenida a más inversiones australianas en China**

Li también dijo que la China da la bienvenida a más empresas australianas para que inviertan en China y se establezcan en China para promover el desarrollo continuo de las relaciones China-Australia.

También el martes, Li tuvo una reunión con Cook, durante la cual dijo que las economías de China y Australia Occidental son altamente complementarias y disfrutan de una cooperación en gran escala y de alto nivel, convirtiéndose en un modelo de cooperación local y práctica entre China y Australia.

Espera que Australia Occidental profundice y expanda la cooperación con China en energía y recursos minerales, agricultura y ganadería, industrias verdes y de bajo carbono, y
