While Betfair is legal in these countries, it is important for users to know that winning accounts will not be closed or suspended.

This issue of closing winning accounts has been a concern among users of betting platforms.

However, according to Betfair's official website, this will not be the case for winning accounts. So,

players can relax and focus on their games without worrying about getting their accounts closed due to winning.

For users in countries where Betfair is not legal, there is a way to access the platform through Virtual Private Networks (VPNs), as stated in an article by Comparitech called "Best VPNs for Betfair: How to Access Betfair from Abroad". Accessing Betfair using VPNs is just one of the many benefits provided by these programs. But, it is important to note that using a VPN while playing on Betfair may go against the platform's terms of service.

Lastly, it is important to note that for countries with a legal currency other than the British pound, like Brazil's real (R\$), the exchange rate from pounds to reais may vary. It is recommended to regularly check the exchange rate in order to track winnings while playing on Betfair.

In summary, Betfair is legal in various countries such as the UK, Ireland, and the Netherlands, among others. Additionally, there is no concern about winning accounts being closed or suspended. Users in countries where Betfair is not legal can access the platform using VPNs at the risk of going against the platform's terms of service.
