contente:

Cheating in a casino is generally illegal and can result in criminal charges being filed against the individual who engaged in the cheating. In most jurisdictions, casino gambling is heavily regulated, and casinos are required to follow strict rules and regulations to ensure fair play.

In years of pretrial hearings, mostly over the lawfulness of evidence for Mr. Nashiri's eventual death-penalty trial, his lawyers have portrayed him as deeply damaged by physical, psychological and sexual abuse in his nearly four years of C.I.A. detention.

His lawyers argue that by the time federal agents questioned Mr. Nashiri at Guantánamo in 2007, he was so thoroughly conditioned that he told his interrogators what they wanted to hear. It was four years into his captivity; he had never been allowed to consult a lawyer. The judge is deciding whether those 2007 interrogations are admissible at trial, as the war court wrestles with the legacy of torture after the Sept. 11, 2001, attacks.

Dr. Jessen testified that the practices — including waterboarding, nudity and isolation — were not meant to rob a prisoner of his will but to gain his cooperation and disclose Al Qaeda's secrets to the C.I.A.

"It's all about establishing rapport and finding that path ahead," he said.

Dr. Jessen, who spent 20 years in the U.S. Air Force and specialized in survival training, called the interrogations "well monitored" but "very intense." C.I.A. headquarters would relay to him messages such as: "Get a spine. Tell us when the next attacks would be."

Prosecutors have already agreed that nothing Mr. Nashiri said at the so-called black sites can be used at trial because evidence derived from torture and cruel, inhuman or degrading treatment is unlawful. But they defend as untainted his 2007 law enforcement interviews, which took place at Guantánamo at a former C.I.A. prison where Mr. Nashiri was held by the agency in 2003 and 2004.
