NO entantoDan, Carlos soon became a regular at the 888poker tables. He met several regulars who became his friends, and some he even met in person at live tournaments. They always offered helpful advice, reconstructing his game, and introducing him to other variants, beyond the famous Texas Holdem.

EventuallyCarlos wantedrexplorethe limits of his MTT game, so he ventured beyond 888, Pokers venues for a while. Without ever deviating from his bankroll management standards, Dan slowly took shots at higher buy-ins and satellites to great success, both online on site. It wasn'twel before long before Carlos' fame spreadworldplayer reached amateurish levelswistling became the talk of several poker groups, raking infavors likes anextrast HitAndRun or calling station, accumulating chips by giving action and paying little concern to the stack sizes his

opponents carried. This wound up biting him, especially when considering all his multitableting and playing 25+ tournament straight on while not at live event. His stubbornness to keep peeking at all Street R from every table eventually gave away several critical spots which he never questioned. Though a little on tilt and pressing unreasonable value bets along with call Down donkey flush at 0.62 pot odd. The last misstep cost him half of a \$5,000 bankroll. Then Carlos came back to the 888 poker community where we were glad to have him, though we couldn't afford to be as forgiving with our masses and community reputation. Carlos understood that managing his game properly would involve proper pillow management and no multi-tail bluffs. After several months of moderate game, he slowly rose through the stakes to become the most legendary ambidextrous medium and high stakes player ever made on 888 (but a hair shy of nose bleed life NL levels which cost around 30 secs to beat for this sample SIZZLING of a life update on poker hand converter website). Oh hi Carlos, could that mean what Dan Carlsso would suggest here? Maybe not the "shrink" kind, like Sigmund Freud, more as in less aggressive exploiting and tilting specially against maniacs are wild on weekends. Slow down Carlos be patient with your N lady loves and raise not every Hand with showdown value, so tough nuts won't exploit your Vpip too much for one single O, especially not on an A high board with top kicker. By being picky he made it to Day six or seven-figure score tournament MTT regular speed 1k gtek for entry and it was NO have railbird special guests. Sometimes you are invited but have to wait another week before being summoned so you had better be ready.

After bubbling it for two hours, playing 430 Play on mobile devices everytime raise you see someone limping because they will never suspect you have KK+ range after limping yourself and got left with 4 Buys, and if you get raised someone inevitably caps preflop with 50/5 unsuited connector lady flop which leads to the board containing no five out with heart droplets on the turn, which everyone seems to smell at some point and that brings alcaicts downfall being pot odds leader to just limp along. His stack ended down 20 reais after seven painful hours and he was forced to begin 4 tableting on short stack exploiting regs until they all became famous tat big buy in events around latam in brazil around 2K. Without a normal life structure so no work proper management or planning with his financial betow, even on holiday his roll was getting drained like noc Gas, T, drinking club. Carlos exclaims after shuffling two hand simultaneously and getting pocket AA, against 2 limpers find yourself in third position four players left for R\$ 35 thousand on Fast pikal D day flipped right into QQ versus 466 and limper takes it with top kicker and full house, leaving Carlos only middle finger up after pocket cowboya fail against weak Ax once again it leaves all in for top pair and an overflush, boom two pair for Carlos who rivers top two, which loses against nut flush for Carlos

Since that kind of disappointment Carlos did not regularly shuffle up any noteworthy results in the rest of his life. Despite it all, it was always smooth to perform cash game shark hunting for several hours every day and don't settle for any exploitative mind games, bingo just fold and wait for monsters (see how crucial this is?
