To calculate your potential payout on an underdog, all you need to do is multiply your stakes (the amount of money you wagered) by the value resulting from the moneyline odds divided by 100. Put simply: Potential profit = Wager x (Odds/100).

Fernando, do Internationale, analyzes the team's elimination from the Gaúcho Championship and projects their debut in the Sul-Americana competition.

In an exclusive interview with Canal do Inter, Fernando, the team's midfielder, spoke about the International's elimination from the Gaúcho Championship and projected their debut in the Sul-

Americana competition.

"We are hurt with the way we were eliminated from the Gaúcho Championship. We wanted to win that competition. Unfortunately, we didn't make it, but we have to think about the future and focus on the next matches. We have to win game after game, and that's how we'll recover our confidence and the fans' trust," Fernando said.

The player also talked about the team's debut in the Sul-Americana competition, which will happen this Tuesday, at 7:30 PM, against Belgrano, from Argentina.

"International competition is always difficult. Playing against a team that will be at home, they will want to impose their game. We know it's going to be hard, but we're confident, and we'll put everything we've been working on this week into making a great game," Fernando said.

Fernando also spoke about the large number of matches the International team will play this season, participating in the Sul-Americana, Copa do Brasil, and Brasileirão championships.

"We have to think match by match, trying to win the next game. We know there will be many competitions, so we'll have to rely on all the players. One will play one competition, and another will play another. We have to be prepared and think about the next game. The next one is against Belgrano, so we have to win and continue in other competitions as well," he said.

The International team's debut in the Sul-Americana is scheduled for this Tuesday, at 7:30 PM, against Belgrano, from Argentina. The team is in Group C, along with Deportivo Real Tomayapo-BOL and Delfín-EQU.
