777 jackpot spin : Descubra as vantagens de jogar em mka.arq.br! Registre-se e receba um bônus especial de entrada. O seu caminho para grandes prêmios começa aqui!

contente:

A player total of 21 on the first two cards is a "natural" or "blackjack", and the player wins immediately unless the dealer also has one, in which case the hand ties. In the case of a tie ("push" or "standoff"), bets are returned without adjustment.

[777 jackpot spin](#)

Blackjack and 21 are essentially the same game, with the objective being to reach a hand value of 21 or as close to it as possible without going over. In some cases, the term "21" may be used to refer to the game played in a casual setting, while "Blackjack" is often used in a casino context.

[777 jackpot spin](#)

An ace-high straight flush, commonly known as a royal flush, is the best possible hand in many variants of poker.

In poker, players form sets of five playing cards, called hands, according to the rules of the game.[1] Each hand has a rank, which is compared against the ranks of other hands participating in the showdown to decide who wins the pot.[2] In high games, like Texas hold 'em and seven-card stud, the highest-ranking hands win. In low games, like razz, the lowest-ranking hands win. In high-low split games, both the highest-ranking and lowest-ranking hands win, though different rules are used to rank the high and low hands.[3][4]

Each hand belongs to a category determined by the patterns formed by its cards. A hand in a higher-ranking category always ranks higher than a hand in a lower-ranking category. A hand is ranked within its category using the ranks of its cards. Individual cards are ranked, from highest to lowest: A, K, Q, J, 10, 9, 8, 7, 6, 5, 4, 3 and 2.[5] However, aces have the highest rank under ace-to-five high or six-to-ace low rules, or under high rules as part of a five-high straight or straight flush.[6][7] Suits are not ranked, so hands that differ by suit alone are of equal rank.[8]

There are nine categories of hand when using a standard 52-card deck, except under ace-to-five low rules where straights, flushes and straight flushes are not recognized. An additional category, five of a kind, exists when using one or more wild cards. The fewer hands a category contains, the higher its rank.[9] There are $52! / (52 - 5)! = 311,875,200$ ways to deal five cards from the deck but only $52! / (52 - 5)! = 2,598,960$ distinct hands, because the order in which cards are dealt or arranged in a hand does not matter.[10] Moreover, since hands differing only by suit are of equal rank, there are only 7,462 distinct hand ranks.[11]

Hand-ranking categories [edit]

* Only possible when using one or more wild cards ** Category does not exist under ace-to-five low rules

Five of a kind [edit]

Five of a kind, aces

Five of a kind is a hand that contains five cards of one rank, such as 3 3 3 3 3 ("five of a kind, threes"). It ranks above a straight flush but is only possible when using one or more wild cards, as there are only four cards of each rank in the deck.[6] Five of a kind, aces, A A A A Jkr, becomes possible when a joker is added to the deck as a bug, a form of wild card that may act as a fifth ace.[5] Other wild card rules allow jokers or other designated cards to represent any card in the deck, making it possible to form five of a kind of any rank.[12]

Each five of a kind is ranked by the rank of its quintuplet. For example, Q Q Q Q Q ranks higher than 6 6 6 6 6.[6][13]

Straight flush [edit]

A jack-high straight flush

A straight flush is a hand that contains five cards of sequential rank, all of the same suit, such as Q J 10 9 8 (a "queen-high straight flush").[4] It ranks below five of a kind and above four of a kind.[5] Under high rules, an ace can rank either high (as in A K Q J 10, an ace-high straight flush) or low (as in 5 4 3 2 A, a five-high straight flush), but cannot simultaneously rank both high and low (so Q K A 2 3 is an ace-high flush, but not a straight).[6][13] Under deuce-to-seven low rules, an ace always ranks high (so 5 4 3 2 A is an ace-high flush). Under ace-to-six low rules, an ace always ranks low (so A K Q J 10 is a king-high flush).[14] Under ace-to-five low rules, straight flushes are not possible (so 9 8 7 6 5 is a nine-high hand).[7]

Each straight flush is ranked by the rank of its highest-ranking card. For example, 10 9 8 7 6 ranks higher than 8 7 6 5 4, which ranks higher than 6 5 4 3 2. Straight flush hands that differ by suit alone, such as 7 6 5 4 3 and 7 6 5 4 3, are of equal rank.[6][13]

An ace-high straight flush, such as A K Q J 10, is called a royal flush or royal straight flush and is the best possible hand in ace-high games when wild cards are not used.[5][15][16] A five-high straight flush, such as 5 4 3 2 A, is called a steel wheel and is both the best low hand and usually the best high hand of the showdown in ace-to-five high-low split games.[4]

Four of a kind [edit]

Four of a kind, fives

Four of a kind, also known as quads, is a hand that contains four cards of one rank and one card of another rank (the kicker), such as 9 9 9 9 J ("four of a kind, nines"). It ranks below a straight flush and above a full house.[5]

Each four of a kind is ranked first by the rank of its quadruplet, and then by the rank of its kicker. For example, K K K K 3 ranks higher than 7 7 7 7 Q, which ranks higher than 7 7 7 7 10. Four of a kind hands that differ by suit alone, such as 4 4 4 4 9 and 4 4 4 4 9, are of equal rank.[6][13]

Full house [edit]

A full house, sixes over kings

A full house, also known as a full boat or a tight or a boat (and originally called a full hand), is a hand that contains three cards of one rank and two cards of another rank, such as 3 3 3 6 6 (a "full house, threes over sixes" or "threes full of sixes" or "threes full").[17][18] It ranks below four of a kind and above a flush.[5]

Each full house is ranked first by the rank of its triplet, and then by the rank of its pair. For example, 8 8 8 7 7 ranks higher than 4 4 4 9 9, which ranks higher than 4 4 4 5 5. Full house hands that differ by suit alone, such as K K K J J and K K K J J, are of equal rank.[6][13]

Flush [edit]

A jack-high flush

A flush is a hand that contains five cards all of the same suit, not all of sequential rank, such as K 10 7 6 4 (a "king-high flush" or a "king-ten-high flush").[19] It ranks below a full house and above a straight.[5] Under ace-to-five low rules, flushes are not possible (so J 8 4 3 2 is a jack-high hand).[7]

Each flush is ranked first by the rank of its highest-ranking card, then by the rank of its second highest-ranking card, then by the rank of its third highest-ranking card, then by the rank of its fourth highest-ranking card, and finally by the rank of its lowest-ranking card. For example, K J 9 6 4 ranks higher than Q J 7 6 5, which ranks higher than J 10 9 4 2, which ranks higher than J 10 8

6 3, which ranks higher than J 10 8 4 3, which ranks higher than J 10 8 4 2. Flush hands that differ by suit alone, such as 10 8 7 6 5 and 10 8 7 6 5, are of equal rank.[6][13]

Straight [edit]

A ten-high straight

A straight is a hand that contains five cards of sequential rank, not all of the same suit, such as 7 6 5 4 3 (a "seven-high straight"). It ranks below a flush and above three of a kind.[5] Under high rules, an ace can rank either high (as in A K Q J 10, an ace-high straight) or low (as in 5 4 3 2 A, a five-high straight), but cannot simultaneously rank both high and low (so Q K A 2 3 is an ace-high hand).[6][13] Under deuce-to-seven low rules, an ace always ranks high (so 5 4 3 2 A is an ace-high hand). Under ace-to-six low rules, an ace always ranks low (so A K Q J 10 is a king-high hand).[14] Under ace-to-five low rules, straights are not possible (so 10 9 8 7 6 is a ten-high hand).[7]

Each straight is ranked by the rank of its highest-ranking card. For example, J 10 9 8 7 ranks higher than 10 9 8 7 6, which ranks higher than 6 5 4 3 2. Straight hands that differ by suit alone, such as 9 8 7 6 5 and 9 8 7 6 5, are of equal rank.[6][13]

An ace-high straight, such as A K Q J 10, is called a Broadway straight,[20] while a five-high straight, such as 5 4 3 2 A, is called a baby straight,[21] bicycle or wheel and is the best possible hand in ace-to-five low games (where it is a high card hand, not a straight).[22][23]

Three of a kind [edit]

Three of a kind, queens

Three of a kind, also known as trips or a set, is a hand that contains three cards of one rank and two cards of two other ranks (the kickers), such as 2 2 2 K 6 ("three of a kind, twos" or "trip twos" or a "set of twos"). It ranks below a straight and above two pair.[5]

Each three of a kind is ranked first by the rank of its triplet, then by the rank of its highest-ranking kicker, and finally by the rank of its lowest-ranking kicker. For example, 6 6 6 Q 4 ranks higher than 3 3 3 K 2, which ranks higher than 3 3 3 J 7, which ranks higher than 3 3 3 J 5. Three of a kind hands that differ by suit alone, such as 9 9 9 10 8 and 9 9 9 10 8, are of equal rank.[6][13]

In community card games, such as Texas hold 'em, three of a kind is called a set only when it comprises a pocket pair and a third card on the board.[24]

Two pair [edit]

Two pair, jacks and threes

Two pair is a hand that contains two cards of one rank, two cards of another rank and one card of a third rank (the kicker), such as J J 4 4 9 ("two pair, jacks and fours" or "two pair, jacks over fours" or "jacks up").[17][25] It ranks below three of a kind and above one pair.[5]

Each two pair is ranked first by the rank of its higher-ranking pair, then by the rank of its lower-ranking pair, and finally by the rank of its kicker. For example, 10 10 2 2 K ranks higher than 5 5 4 4 10, which ranks higher than 5 5 3 3 Q, which ranks higher than 5 5 3 3 J. Two pair hands that differ by suit alone, such as K K 7 7 8 and K K 7 7 8, are of equal rank.[6][13]

One pair [edit]

One pair, tens

One pair, or simply a pair, is a hand that contains two cards of one rank and three cards of three other ranks (the kickers), such as 4 4 K 10 5 ("one pair, fours" or a "pair of fours"). It ranks below two pair and above high card.[5]

Each one pair is ranked first by the rank of its pair, then by the rank of its highest-ranking kicker, then by the rank of its second highest-ranking kicker, and finally by the rank of its lowest-ranking kicker. For example, 9 9 Q J 5 ranks higher than 6 6 K 7 4, which ranks higher than 6 6 Q J 2, which ranks higher than 6 6 Q 8 7, which ranks higher than 6 6 Q 8 3. One-pair hands that differ by suit alone, such as 8 8 10 6 5 and 8 8 10 6 5, are of equal rank.[6][13]

High card [edit]

High card, king

High card, also known as no pair or simply nothing, is a hand that does not fall into any other category, such as K J 8 7 4 ("high card, king" or "king-jack-high" or "king-high").[17][26] Note that under ace-to-five low rules, straights, flushes and straight flushes are not possible, so such hands

are instead high card hands.[7] It ranks below one pair.[5]

Each high card hand is ranked first by the rank of its highest-ranking card, then by the rank of its second highest-ranking card, then by the rank of its third highest-ranking card, then by the rank of its fourth highest-ranking card, and finally by the rank of its lowest-ranking card. For example, K 6 5 3 2 ranks higher than Q J 6 5 3, which ranks higher than Q 10 8 7 4, which ranks higher than Q 10 7 6 4, which ranks higher than Q 10 7 5 4, which ranks higher than Q 10 7 5 2. High card hands that differ by suit alone, such as 10 8 7 6 4 and 10 8 7 6 4, are of equal rank.[6][13]

Under deuce-to-seven low rules, a seven-five-high hand, such as 7 5 4 3 2, is the best possible hand.[27] Under ace-to-six low rules, where aces have the lowest rank, a six-four-high hand, such as 6 4 3 2 A, is the best possible hand.[28] Under ace-to-five low rules, where aces have the lowest rank and straights, flushes and straight flushes are not possible, a five-high hand, such as 5 4 3 2 A or 5 4 3 2 A, commonly known as a bicycle or wheel, is the best possible hand.[7][22]

Fase final de Klopp en Liverpool: una despedida llena de emociones

Fue una soleada tarde de primavera en Liverpool. El sol brillaba y el ambiente era festivo en los alrededores de Anfield. Había sonrisas y risas entre las miles de personas en las calles, cafeterías y pubs cercanos, que llevaron ese buen humor al estadio, donde se escucharon cánticos y canciones de la multitud, aumentando el volumen durante un emocionante partido que Liverpool ganó contra Tottenham.

En general, un gran día y, estando allí, se podía sentir claramente que esto es lo que se siente al llegar al quinto estadio del duelo.

La aceptación es el estado de ánimo de la mayoría de los seguidores de Liverpool cuando se trata de la partida inminente de Jürgen Klopp. Todos quedaron impactados cuando, en enero, anunció que se iría al final de la temporada y cada uno, a su manera, ha atravesado las

diferentes fases de perder a un ser querido en los siguientes cuatro meses. Ha sido difícil, pero se puede decir que las emociones colectivas se han centrado en reconocer que Klopp no bromeaba cuando dijo que se estaba quedando sin energía.

El alemán de gran sonrisa, claramente, no es el mismo hombre que solía ser.

Ahora, el enfoque está en darle la despedida que se merece. Este proceso ha comenzado y culminará en el partido del domingo contra Wolves, el último de Klopp en Anfield, el lugar que ha llamado hogar y ha encendido desde el banquillo local durante los últimos nueve años y medio. Un lugar conocido por el ruido que genera se sacudirá con aplausos de apreciación desde la Kop y en otros lugares, pero también habrá lágrimas, especialmente cuando Klopp entregue su último puño en alto y baje por el túnel por última vez, y realmente eso será adecuado dado el grado en que la tristeza ha sido un motivo de esta era en la historia de Liverpool.

Porque, si bien ha habido un gran éxito - siete trofeos importantes, incluido el primer campeonato de liga en 30 años y la sexta Copa de Europa - también ha habido una serie de oportunidades perdidas y momentos difíciles que han causado desesperación.

Las altas y bajas de la era Klopp

- Dos pérdidas consecutivas del título de la liga en la última jornada ante Manchester City.
- Dos derrotas en la final de la Liga de Campeones ante Real Madrid.
- Celebrar la gloria de la Premier League en circunstancias extrañas e inquietantes.
- La temporada siguiente y los tramos finales de la actual, cuando la persecución del cuádruple se desmoronó de manera desesperada y desalentadora.

Todo es relativo, por supuesto, y los seguidores de otros clubes estarían justificados en calificar estos momentos como problemas de primer mundo, pero eso no significa que no hayan dolido a quienes están involucrados. El dolor es el dolor.

Jürgen Klopp y sus jugadores de Liverpool dan una vuelta de reconocimiento después de perder ante Real Madrid en la final de la Liga de Campeones de 2024 en Kiev. Perderían el mismo juego ante los mismos oponentes en París cuatro años después.

Altibajos importantes junto a altibajos importantes ha sido un tema del tiempo de Klopp en el cargo, pero es justo asumir que los seguidores de los clubes en cuestión no cambiarían un segundo del tiempo de Klopp por el de cualquier otro. No en Mainz, no en Borussia Dortmund y ciertamente no en Liverpool, donde Klopp ha brindado a los seguidores una garantía casi semanal de alegría.

Bajo su dirección, el equipo casi siempre ganó en Anfield y jugó alguno de los fútbol más emocionantes que muchos de ellos hayan visto.

Esa delantera en pleno flujo fue algo y, en última instancia, el fracaso en ganar más trofeos se debió a márgenes finos contra dos de los mejores equipos de esta o de cualquier otra era.

Mientras que la mayoría de los fanáticos pueden aceptar perder ante Madrid en dos finales de la Liga de Campeones porque, bueno, es Madrid en dos finales de la Liga de Campeones, los golpes sufridos a manos de City pueden nunca dejar de picar, alimentando un profundo sentido de injusticia, de tener 115 razones para sentirse muy enojado.

Pero, en última instancia, lo que resonará más de este período será la conexión.

Simplemente, Klopp estaba hecho para Liverpool, el valor que da a la esperanza, el optimismo, la creencia y la desafiante coincidencia perfectamente con una base de fanáticos que ha anhelado esas cualidades de sus líderes desde que Bill Shankly pisó la puerta y estableció los estándares hace 65 años.

Y, al igual que Shankly, irradia un carisma tan encantador como eléctrico, así como ser genuinamente gracioso, y en Liverpool todo se combinó para crear una cultura unificadora que existió más allá del 'fútbol', una de TerraceUltra ropa y una bebida en Taggy's, de BOSS Noches y murales impresionantes, de amar ir al partido tanto como el partido en sí.

Ha sido verdaderamente especial y solo podría haber ocurrido a través de la combinación de este club y este gerente.
