Singbet is one of the biggest, if not the biggest, betting outlets in the far East. This bookmaker can be accessed only via an agent or a broker. Singbet has some unique characteristics, both positive and negative. Be sure to read this review until the last line, otherwise, you will miss significant points. Let's start with the positive characteristics. - The widest variety of football leagues and events both pre-match and in-play, offer games and markets that can't be found anywhere else. - Extremely high odds with a margin of just 2% on top popular football leagues. Lower leagues also are covered with very competitive odds. - Extremely high betting limits that can't be found in other bookmakers. - Very early odds, that give the tenor to other bookmakers. - The best Asian handicap offer. - Very competitive odds, probably the best odds, on difficult markets including corners, cards, penalties and outrights. Notice, outright bets might come with lower betting limits. - Available to all major betting platforms, Mollybet, AsianOdds and their white labels. Now let's go to the negative characteristics - Arbitrage players, traders, syndicates, professional and sharp players are not welcome. Singbet has been known to void bets after an event has been decided if they suspect that sharp action is proved to be smarter than their traders. - Singbet is notorious for voiding bets with absolutely no notice, especially winning bets. Players are left with the impression that their bets are standing while in reality, they are already void. This is not fair play. - Unlicensed and unregulated, if that means anything to you. - Singbet operates in what is called a "shareholder business model", which forces agents and brokers to take a betting position against their referred clients. This model pays-out lavish commissions and rewards to agents but in return, they have to filter their clients and keep only square action. - No significant offer other than football markets. Two very important observations We studied the reports of dozens of our members who use this bookmaker, and we came to the conclusion that Singbet will most probably void your bets if you manage to beat their traders. Let me illustrate that with an easy to understand example. Let's suppose that you placed a bet in Singbet at odds 1.90, and right after these odds collapsed to 1.80 in all major competitors (Pinnacle, Betfair, etc). Your Singbet bet will most probably be cancelled and you will not be informed for that until it is very late. If the bet is a winning one, you can be very confident it will be cancelled. Scary? Also based on long term observation, it is advisable that you should not repeat your bets. If you want to place a bet at 1.90 odds, don't place the same bet again when the odds fall to 1.85 and 1.80. Most of these bets will be cancelled. How should you handle Singbet? As you already understood from the above, Singbet requires a very delicate approach. Every sharp bettor will be under Damocles' sword. You can choose to use Singbet only on top football leagues and only when the odds offered emits no sign of sharp action. But in this case, maybe you should look to other bookmakers like Pinnacle. If you are looking for rugby markets, American football or anything like this, Singbet is not your online sportsbook. Many times, players find themselves in a position where they don't have any alternatives, but to place bets in Singbet due to their high limits. Personally, I wouldn't take that risk, as I prefer to bet than gamble (others call it to gamble responsibly). That said, it is advised to de-activate Singbet from any platform and their white labels unless you are a square bettor, which I doubt you are. So what is left? The only credible way to bet on Singbet's odds is by Skype's "No Void Guarantee" from , which we secured for our members. However, this should be used under very specific circumstances. Skype betting comes with significant delays, and it might take you 1-3 minutes in order to confirm a wager, especially if we are talking about bigger wagers. The larger the bet is, the bigger margins added, and that means that only smaller than offered limits will take the creme of the odds. You can have a look at the following in order to compare agents and decide

which one suits you best:And of course, you can have a look at this case, reporting a void bet from Singbet:I hope you found this review useful. Feel free to comment and read what our members say about Singbet.

Chelsea sacude al Barcelona: un gol de Cuthbert en el descuento les da la ventaja en la semifinal de la Champions

Resilientes, inteligentes y letales en los momentos clave, el Chelsea, entrenado por Emma Hayes en su última temporada antes de dejar el cargo, realizó una arriesgada maniobra de saqueo y ganó 1-0 en el Camp Nou contra el Barcelona en el partido de ida de las semifinales de la Liga de Campeones Femenina.

Erin Cuthbert: la capitana que rugió

Fue la capitana, Erin Cuthbert, quien adelantó al Chelsea al final del primer tiempo, una jugadora que menos de 24 horas antes había dicho que este tipo de partidos hacen resaltar lo mejor de ella.

"Estos juegos sacan lo mejor de mí. Florezco bajo esta presión, me hace salir una versión diferente, como un animal distinto", dijo.

Una gesta sorprendente

La hazaña fue aún más sorprendente considerando que el Barcelona no había perdido desde mayo del año pasado y que no había perdido en la Liga de Campeones desde una derrota por 3-1 ante el Bayern Múnich en la fase de grupos en diciembre de 2024.

La estrategia de Hayes surte efecto

Hayes había declarado antes del partido que prefería jugar como visitante en el partido de ida, pero advirtió que solo era una preferencia si la aprovechaban. "Mi equipo sabe lo que tiene que hacer y que deben ser diligentes en esas cosas para tener la mejor oportunidad", dijo.

Y eso es exactamente lo que hicieron.

Hayes dispuso al equipo de una manera inusual para un equipo acostumbrado a dominar, con Ashley Lawrence y Johanna Rytting Kaneryd como laterales y Jess Carter, Kadeisha Buchanan y Niamh Charles en una línea de cinco defensiva. Y resultó ser un movimiento inspirado.

Defender con valentía

Chelsea supo cómo defenderse del Barcelona, que dominó el balón, y ser valientes en los momentos oportunos. Este triunfo les da la ventaja en el partido de vuelta en Stamford Bridge.
