The

symbols of the Zentaurus slot game are as follows:

Zentaurus free spins are awarded

when players land three or 4 more scatter symbols in any reel position within a single spin. Players will be given 10 free spins with the 4 chance to retrigger this feature an unlimited number of times by landing three more scatters. Wild multipliers are also active 4 during free spins alongside a feature called the 'Streak Feature'.

The Streak

Feature activates whenever a winning combination is landed during 4 the free spins bonus round. The symbols used for the winning combination will remain locked in place and the rest 4 of the reel set will respin. If you're able to add more symbols to your combination, you'll be given an 4 additional respin until no new symbols can be landed.

More Zentaurus Features

Stacked Symbols

Low-paying symbols (playing card symbols) are able to appear 4 semi-stacked on any spin.

Wild Win & Colossal Payouts

Any

winning combination that uses at least one wild symbol will have an 4 increasing multiplier added to it. One wild symbol will increase the payout by 2x, while two will increase this to 4 4x, and three to 8x. The multiplier caps out at an impressive 16x.

Gamble Feature

The Zentaurus slot online gives players the 4 option of two different gambling games which can be activated after any symbol win. It's worth noting that if you 4 set up autoplay your winnings will be automatically collected instead of being given the option to gamble. The two gamble 4 features are follows:

Card Gamble: Players

have the chance to double their winnings by correctly guessing the color of a face-down 4 playing card (red or black). Guessing correctly will double the value of your winnings, while guessing incorrectly will cause you 4 to lose the amount originally won.

Players

have the chance to double their winnings by correctly guessing the color of a 4 face-down playing card (red or black). Guessing correctly will double the value of your winnings, while guessing incorrectly will cause 4 you to lose the amount originally won. Ladder Gamble: This gamble feature takes place on a prize ladder with the 4 top prize on the top rung. A light will flicker between two prize amounts and all players need to do 4 is stop the light on the higher-value prize. Players can move up and down the ladder as much as they 4 like until they either lose the lot or walk away with the highest prize value.
