SkyBet and bet365 Revealed as Launch Partners of Opta's New Fast Player Statistics Feed

Stats Perform, has announced two major operators as launch partners of its new real-time Fast Player Statistics Feed, powered by Opta, the world's leading provider of live, 6 detailed sports data.

The new feed pushes high frequency in-play statistics like

shots, passes and tackles to operators who can now 6 automate pricing, live trading and fast settlement of player and team prop markets. The feed means player and team stats

6 can now also be incorporated at scale into bet-builders and request-a-bets, for the world's biggest football competitions and players. Detailed 6 stats are also shown

updating as they happen to the operators' customers.

Sky Bet and bet365 are the first

operators to 6 offer their customers in-play products powered by the new fast player data.

Sky Bet accompanied their launch with a promotional campaign 6 announcing 'In-play, as you've never seen it before'.

John Harlow, SVP Betting Stats Perform, said: 'If

you're a bettor following in-play 6 events like shots, tackles and passes, it's like

you're watching an entirely new game. Goals are still the most important 6 thing of

course, but shots happen ten times as frequently as goals, and from a wider spread of players, so 6 the new Opta feed has given a way for operators to create compelling new

player-focussed experiences that occur throughout the 6 90 minutes. It's a new level of entertainment for their customers, even throughout a 0-0 draw.'

Operators can either

ingest Opta's 6 fast player data directly to power their own trading, or use pricing

providers accredited to use Opta's data such as 6 Sportcast and Banach.

Andrew Ashenden,

Stats Perform Chief Betting Officer, said:

"Our expertise in both fast data for in-play trading (via RunningBall) 6 and deep player data (via Opta and STATS) means we're uniquely placed to create a fast player statistics service that 6 operators, fans and bettors can trust.

Fans and bettors the world over are accustomed to seeing data like shots, passes and 6 tackles collected in line with Opta definitions across media and broadcast.

A lot of work goes into the collection and preparing 6 this detailed data for betting use and we're delighted with how partners and now bettors have reacted. I'm proud of 6 what our teams have built and the reaffirms Stats Perform's commitment to providing the sports industry with innovative, engaging and 6 quality products that power exceptional fan and bettor experiences."
