### Rambo Slot Review

It's time to suit up for our review of the Rambo slot from Skywind Group. Join all-American hero, John Rambo, on his latest mission as he braves wild grenades, camouflage symbols, and a helicopter bonus.

Released by leading online casino developer, Skywind Group, the Rambo online slot is the latest in a series of Stallone-branded games. Of course, iSoftBet already has its own branded Rambo slot available yet, with a video game style bonus feature, Skywind's version is arguably even more authentic.

Whether you are a fan of First Blood, Rambo III, or the new Rambo: Last Blood film, this Rambo slot machine might be for you. Let's fix our red bandana, grab our machine gun, and head into the jungle to learn more.

### Join John Rambo on One

#### Final Mission

John Rambo first appeared on cinema screens in 1982 in First Blood.

Starring Sylvester Stallone, the film told the story of a war vet who, after being hounded by nasty local cops, took justice into his own hands.

Stallone has revisited

the character several times, most recently in a new release in 2024. However it's the

80s films, Rambo: First Blood Part II and Rambo III, which Skywind Group have chosen to focus on in this new slot.

Our Rambo online slot review unearthed a game dripping with testosterone and action. As a proper branded title, it features stills from the original movies and Stallone presides above the reels as you play. During the game, Rambo's commander will bark orders over the soundtrack.

Ideally, you should play this

slot machine on a mobile device in portrait mode. However, we found that on a desktop platform the game still performs well and uses the same portrait format.

Play 20

All-Action Win Lines

Coins in the Rambo slots title start at just 0.01. There are 20 fixed paylines to bet across. The max coin bet is set at 10.00, or 200.00 per spin. You can also set the Autoplay function to run consecutive spins.

Our Rambo slot review team

enjoyed the range of coins bets and found the spread of payouts good too. The royal symbols of 10, J, Q, K and A pay from 5-50x per line bet, up to 15-150x. The hunting knife pays 20-200x, the bullets 20-300x, and the AK-47 rifle 25-500x. Rambo himself is the jackpot symbol and pays 30-750x.

Enjoy In-Reel Features for an Instant Win

The

Rambo slot machine has several bonus features to look out for, including in-reel features that can be activated on any base game spin. These are played out on the video game screen above the reels where you will see Rambo's first-person view of the jungle.

At random, he may leap into action, firing rounds into the bushes. When Rambo destroys some military equipment, you will trigger a real money feature.

For example,

3-6 wilds may be added to the reels. Alternatively, destroy some cover to reveal a random symbol. Symbols on the reels will then turn into the same symbol to create extra wins. You might also reveal coins for an instant cash win.

Our Rambo slot review

experts particularly liked the helicopter bonus, which can also trigger on any spin.

You will win 5 free bonus spins if Rambo encounters the helicopter and opens fire.

On

each spin, three random reel positions are chosen as red targets. When a helicopter lands behind a target it will be shot. You will win a cash prize worth 2x, 3x or 4x your total stake. Blow up the helicopter in this Rambo online slot bonus round and you win 10x-50x your total bet.

In practice, we found the payouts were pretty good. We

regularly managed to earn around 30-40x our total stake during the feature.

Trigger

Desert Mission Free Spins

Land three or more gold sheriff badges on reels 2, 3 and 4,

and you will win 10 free spins. The grenades are wild here and will replace all other symbols except the scatters.

During this cool bonus round, Rambo will destroy

containers and vehicles in the game screen above the reels. Each object destroyed in the Rambo slots game free spins round may award a sticky wild grenade that locks in place for the next two free spins.

You may also claim an RPG rocket launcher. This can

be used to destroy a helicopter and retrigger 10 free spins, giving you yet another reason to check out the game at top real money online casinos.

Trigger-happy for more great Skywind Group slots? Check out some of the developer's other free games below.

Hit the Progressives in iSoftBet's Rambo Slot

Skywind Group wasn't the first

developer to take on John Rambo in an online slot. Before it released its Rambo slot machine, iSoftBet released a branded game based on the 2008 Rambo film.

Featuring an

older Sylvester Stallone, iSoftBet's Rambo slot includes imagery from the film and several impressive features. It boasts 720 ways to win and, should you unearth five grenade scatter symbols, you will unlock four progressive jackpots. The more grenades you find, the higher the jackpot. The game also features a free spins round which can be retriggered.

iSoftBet's branded game is a good place to start if you love Sylvester

Stallone movies, but our Rambo review team thinks you'll enjoy Playtech's Rocky game too.

The Rocky slot features Stallone as the heroic boxer, and you can expect appearances from some of his most famous opponents too. There's also a wealth of bonus features, including cash prizes for spelling out 'ROCKY' in symbols. The game's wild symbols are also valuable, paying out up to 10,000 coins.

The Knockout Bonus also

allows you to choose your opponent and take a ringside seat as you watch Rocky and the other boxer fight it out. The more rounds Rocky wins, the more cash you win.

Go Gung-Ho

for the Rambo Free Slot Today

Our review of the Rambo slot has uncovered a great addition to the movie-themed genre. It's a volatile game yet the random features like the Helicopter Bonus really add cash to your bankroll.

We particularly liked the video

game screen element. Rambo will keep walking through the jungle as you spin, only stopping when the reels come to rest. This adds a little drama to and enhances the overall player experience.

Check out the Rambo online slot and see if it recreates the

original movies for you. Play for free here or head to one of our favorite casinos to play for real money.

# **Mujeres británicas demandan a empresas cosméticas en Estados Unidos por exposición al talco y desarrollo de mesotelioma**

El mesotelioma es un cáncer particularmente agresivo y difícil de tratar que afecta el revestimiento del pulmón, el corazón o el estómago. Se ha relacionado con la exposición al talco, un mineral comúnmente utilizado en cosméticos como polvos sueltos, sombras para ojos, bases y productos de peinado en polvo en seco.

Varias mujeres británicas están demandando a empresas cosméticas en Estados Unidos por su presunta responsabilidad en el desarrollo de mesotelioma debido al uso de productos que contienen talco. Estas mujeres afirman que las empresas no advirtieron adecuadamente sobre los riesgos potenciales de salud asociados con el uso de estos productos.

## **El talco y el riesgo de mesotelioma**

El talco es un mineral que se extrae de minas y puede contener trazas de asbesto, un conocido carcinógeno humano. Aunque la mayoría de los talcos comerciales se procesan para eliminar el asbesto, no existe una garantía absoluta de que todo el asbesto se haya eliminado.

Algunos estudios han sugerido una posible asociación entre la exposición al talco y el desarrollo de mesotelioma, especialmente en mujeres que usan regularmente polvos sueltos en la zona del pubis. Sin embargo, otras investigaciones no han encontrado evidencia concluyente de una relación causal entre el talco y el mesotelioma.

## **Demandas contra empresas cosméticas**

Las demandantes alegan que las empresas cosméticas no advirtieron adecuadamente sobre los riesgos potenciales de salud asociados con el uso de productos que contienen talco. Algunas de estas empresas ya han acordado pagar indemnizaciones millonarias a las demandantes.

Las demandas contra estas empresas continúan, y se espera que más mujeres presenten reclamaciones en el futuro. Mientras tanto, es importante leer cuidadosamente las etiquetas de los productos cosméticos y evitar los que contienen talco, especialmente si se tiene un historial de enfermedades pulmonares o cardíacas.
