Ultimate Frisbee is now known in many countries simply as the less-catchy "Ultimate" due to the fact that Frisbee is a registered trademark.

It is a fast-paced sport with similarities to netball, football (soccer) and American Football.

Played by around five million people in the US and with leagues in the UK and other European countries, Ultimate is a far cry from the humble origins of the Frisbee.

As with many inventions there are multiple reported variations on how Frisbees came to be, but the commonly agreed version is that it comes from the Frisbie Baking Company, whose empty metal pie tins were thrown by college students in the 1920s.

Subsequently, in 1948, Walter Morrison invented a plastic version with improved aero-dynamics, and then followed the Pluto Platter.

Ultimate was created in 1967 by students at Columbia High School and in 1979 the Ultimate Players Association, now USA Ultimate, was formed.

The sport has grown from its early years as a relaxed sport played for fun and increasingly attracts better athletes and is played more competitively.

Object of the Game

The object of Ultimate is to pass the flying disc to a player in the endzone of the pitch and in so doing a goal is scored.

As in rugby and American Football the ends – the last 18m in this case – of the pitch are the scoring zones.

The winner is usually decided by whichever team is first to score a specified number of goals or whichever team scores the most goals in a given timeframe.

Players & Equipment

One of the beauties of the sport is that very little equipment is needed, with an inexpensive disc and an open space sufficient for a rudimentary game.

Ultimate is contested between two sides of seven players with substitutions permitted and so with a disc, seven bibs and a field you're away!

The pitch is 100m long with the endzones, as said, 18m deep at either end.

It is 37m across and a regulation disc is 10.

75 inches in diameter and weighs 175g.

Scoring

Points are scored by getting the disc to one of your players in the end zone by passing it through

the air.

That's the only way to score, making 8 the game a very simple one to understand and play.

Winning the Game

Games are usually played as the first side to 8 reach 15 or sometimes 17 goals, although any number can be agreed between the teams.

Sometimes games are played over two 8 15 minute periods with a five minute half-time break. In these games the side with the most goals at the end 8 is deemed the winner.

Rules of Ultimate Frisbee

The match is started by a "pull", where one side throws-off to the other.

A 8 player cannot run with the disc and must stop as soon as they receive it, although they may pivot on 8 one leg (a la netball).

If a pass hits the floor, is intercepted or is caught out of bounds possession goes 8 to the other side.

A player in possession has 10 seconds in which to pass the disc or they cede possession 8 to the opposition.

The defender (marker) makes the count (stall count).

Ultimate is a non-contact sport and defenders may only stand within 8 three meters of the disc-holder.

Substitutions are only allowed after a goal has been scored (and before the throw-off), to replace 8 an injured player or after periods of play and not during a timeout.

Ultimate is self-officiating and, indicative of its origins 8 and free-spirited reputation, the Spirit of the Game (SOTG) is highly respected.

Only a fouled player may call or appeal for 8 a foul and there is a strong spirit of respect and sportsmanship demanded.

Many other sports could do well to take 8 heed.

Enfrentando graves inundaciones en Texas: al menos 224 personas rescatadas

Con ríos que se desbordan en el sur de Texas, dejando miles de personas desplazadas y hogares y negocios inundados, los residentes observan el cielo mientras el peligro de más lluvia persiste.

Más de 224 personas rescatadas en el Condado de Harris

Al menos 224 personas han sido rescatadas de hogares y vehículos en el Condado de Harris, Texas, según un funcionario el sábado por la noche, con órdenes de evacuación y advertencias de inundaciones en vigor, ya que más lluvia se espera que caiga sobre el estado el domingo, con una clara amenaza de lluvias excesivas en el área de Houston.

Sin muertes ni lesiones graves reportadas hasta ahora

No se han informado de muertes ni lesiones graves, según la jueza del condado de Harris, Lina Hidalgo, quien agregó que 153 mascotas también han sido rescatadas durante la inundación.

El Condado de Harris solicita cautela a los residentes antes de regresar a sus hogares

"Todo esto ha sido realmente triste, ver el impacto en los hogares, los medios de vida, la infraestructura y la infraestructura pública", dijo Hidalgo el sábado.

"Estamos realmente rogando a la gente que den un momento antes de regresar a sus hogares".

Posibilidad de lluvias intensas a medida que avanza la semana

Gran parte de la lluvia del fin de semana se ha registrado en el oeste y el centro de Texas, pero existe una alta posibilidad de lluvias más intensas en el área de Houston el domingo.

Se prevén de 25 a 76 mm de lluvia adicional antes de la mañana del lunes, según el Servicio Meteorológico Nacional de Houston. Algunas áreas podrían ver hasta 100 a 200 mm de lluvia.

"Debido a varias rondas de lluvias intensas en los últimos días, es posible que la inundación comience antes de lo habitual bajo condiciones típicas. Las lluvias de hoy continuarán exacerbando las inundaciones en los ríos", advirtió el servicio meteorológico de Houston.

Lluvias extremas hasta el momento en algunas zonas de Texas

- Groveton, TX- 599.2 mm
- Huntsville, TX- 552.6 mm
- Splendora, TX- 533.4 mm
- Willis, TX- 527.5 mm
- Livingston, TX- 468.4 mm

Alivio en el horizonte

Sin embargo, hay un alivio a la vista. El pronóstico para el resto de la semana en Houston muestra un clima seco y cálido de lunes a sábado, con mucho sol para ayudar a secar la región.
