wiki.

I think I slowly finishing my health deterioration due to covid/flu. Have for over 1 week very mildish symptoms. Every 3 other day I feel pretty good, next one is bad and I can't focus. Previous weekend I had a short episode 3 with GG. I have there like R\$10 so I decided to 6 table 50bb deep NL2 reg tables. Fun games on 3 gg but in general I prefer playing stars. However several of my poker friends, keep telling me that I should 3 move to GG. There is less and less traffic on stars, bad rb and so on. Well, I have a 3 feeling they might be right. To be honest I don't know what to do about it. Always heard that GG 3 is big rake + some scammy moves happened. That is always a big turnoff for me. But maybe now, when 3 I want to play semi-pro, and there is lot more games.... also in case I get to higher stakes, stars 3 are now really dry. To sum this short two days on GG - I don't like all those emotes, reactions, gaming 3 stuff on GG. It is not that I really suffer because of it. But I like as simple and focused 3 themes and poker table as possible. Good thing is that I finished grinding two days with +\$10. Don't know how 3 to take it out of gg and pokercraft graph is wrong. After that I played this week few hands on stars 3 too. There was a moment I was winning almost every pot. Then gave away in few big setups. I managed to 3 stop the session as I was slightly unhappy to lose 5BI in such a quick manner. Of course I should grind 3 waaaaay more volume. 2k hands is below my daily average. So I see my main difficulty now is to increase 3

volume. I already noted down few things that make it hard for me right now. First of all, I have 3 2 days during week, when I have to wake up really early to my office job. I used to play 3 short sessions the evenings before those days. But very often I struggled to finish session early, and it was tilting 3 and then I had short and poor quality of sleep. Now I am thinking about not playing at all during 3 these two days (only study) or playing lower than usual stakes. Right now it is obviously NL2 so not a 3 big deal with implementation. Also on other days, I noticed that when I had a break from poker, I started to 3 put as many things on my daily schedule as I can. Then in the evening I feel pretty tired and 3 already overwhelmed with everything. Here, I need to improve the quality of my grinding time, so I need to put 3 less tasks on myself during a day, add some naps, relaxation etc. Let's see how it works out for me 3 this weekend. Overall there is some BR progress anyway. I now have like R\$80 with GG money. Soon I might try again 3 NL5. Good Luck
