Roulette is a game that requires you to guess which number/collection of numbers will appear on the roulette wheel. To decide which number/s appear, the wheel spins in one direction and a small ball is spun in the other direction by a croupier.

This

combination of opposing spins ensures that the croupier has no control over the outcome. Indeed, it's virtually impossible to predict where the ball is going to stop because the speed and force of each spin will always be slightly different.

Once the

ball comes to a stop, the number it lands on will determine whether you're a winner or not. To show you what we mean, let's run through a quick scenario:

You walk up to a

European roulette table and place three chips on the following: 12, Red and 3rd 12. At this point, your bets will have covered the following number of options 12 = one number, Red = 18 numbers, 3rd 12 = 12 numbers. The wheel is spun, and the croupier calls time. This means the ball is about to be spun and your bets are locked on the roulette board. Eventually, the ball stops on the number 34. Because 34 is a red number located in the 3rd 12 section of the board, two of your bets have won. If we take the same scenario but the ball stops on 13, you'd lose because this number isn't 12, is black and is in the 2nd 12 section of the roulette table.

That, in a nutshell, is how

roulette works. The reason it's become popular with players of all skill levels is that you can be as general or specific as you like. For those that want high returns, you can bet on individual numbers. For those that prefer to win more frequently, outside bets are better.

ONLINE ROULETTE STRATEGIES AND

TIPS

Okay, so now we've covered the basics, let's think about the best way to play roulette. Although there are no guarantees when you play this or any other casino game, there are a few things you can do to improve your experience:

Bet what you can afford.

The beauty of roulette is that you can be as general or specific as you like. Use this dynamic to your advantage and choose options that not only fit with your level of tolerance for risk but your budget. For more roulette betting strategies, be sure to read our article: [Roulette Betting: Types, Odds and Payouts](#).

Play in sessions. Staying

focused for an extended period of time is tough. To ensure you don't lose your concentration and make silly moves, split your playtime into sessions. As a general rule, bursts of 10/15 minutes should ensure you're always on the ball.

Go for the

double dozen. Perhaps the best way to play roulette is to bet on two 12s at the same time. Doing this allows you to cover 24 numbers with just two bets. What's more, when you wager equal amounts, you can still make a profit if the right number comes in. In other words, if you bet £5 and £5, the potential return on either is £5. Therefore, you'll make a £5 profit and have almost 66% of the roulette table covered.

PLAY ONLINE ROULETTE

Thanks to innovative software and some creative ideas, it's now possible to play in a myriad of ways via your desktop or mobile.

As a

standard, American and European roulette are the most popular options inside any online casino. However, because virtual platforms don't have the same space restrictions as live venues, new variants have emerged in recent years. A great example of this is multi-wheel roulette. Instead of betting on the outcome of a single wheel, you can speculate on as many as six.

Beyond the ability to try new variants, online roulette is

great if you want to play for free. Using practice roulette tables, you can get a feel for the flow of a game, familiarise yourself with the general layout and try some betting techniques. More importantly, you can use practise roulette tables to have fun.

Then, once you're ready to win something tangible, you can play for real money by clicking a single button.

You can also play Live Roulette as part of our exclusive Live Casino.

OKAY, THAT'S GREAT, BUT IS ONLINE ROULETTE FAIR?

Absolutely. Just as the dealer

has no control over the outcome in a live game, online casinos can't influence the results in their own games. By using something known as a random number generator (RNG), casinos are able to offer games that are 100% fair. RNGs are audited and certified by third-party testing agencies and any operator without a fair system won't be granted a gaming license. Therefore, when you play roulette online for free or for real money, you can be confident the action is just as fair and entertaining as it was back in Pascal's day.

Liverpool consideraría a Arne Slot, entrenador de Feyenoord, como su nuevo gerente

De acuerdo con informes, Liverpool estaría interesado en contratar al entrenador holandés Arne Slot como nuevo gerente del equipo este verano, para suceder a Jürgen Klopp. Este proceso de reclutamiento está siendo liderado por Michael Edwards, director ejecutivo de fútbol de Fenway Sports Group, y Richard Hughes, director deportivo entrante.

Liverpool ha estado sondeando discretamente a posibles nuevos gerentes a través de intermediarios en lugar de entrevistas directas, pero Slot aparece como uno de los favoritos para el cargo. El entrenador de 45 años tiene un historial de consistentes éxitos con Feyenoord desde que asumió el cargo en 2024, y anteriormente con AZ. En su primera temporada, llevó al club de Róterdam a la final de la Liga Europa Conferencia inaugural, cuando terminaron terceros en la Eredivisie. En su segunda temporada ganó el título de la liga y esta temporada levantó la Copa KNVB al vencer a NEC Nijmegen por 1-0.

Éxito y estilo agresivo con un presupuesto limitado

Los logros de Slot con un presupuesto limitado y su estilo de juego agresivo han despertado un gran interés, incluida la atención de Tottenham la temporada pasada. Liverpool podría enfrentar competencia de Barcelona, Bayern Munich y Milan por su contratación este verano, cuando le quedarán dos años de su contrato actual, el cual extendió con Feyenoord el año pasado.

Otros candidatos

Xabi Alonso había sido el favorito para el cargo de Liverpool, pero recientemente renovó su contrato con Bayer Leverkusen antes de llevar al club a su primer título de la Bundesliga. El entrenador portugués Rúben Amorim de Sporting y el italiano Roberto De Zerbi de Brighton también están siendo considerados por Liverpool.
