Modern gaming machines use computer technology to operate their functions. Slot machine outcomes are determined using a Random Number Generator (RNG) which is a mathematically-based program that selects groups of numbers to determine which symbols are selected to produce a winning or losing outcome.

[trixie bet 365](#)

The truth is that there is no trick to slot machines. They provide random results based on set mechanics and it all comes down to luck. With that being said, not all games are the same, so picking the right options is key, and you can still change the size of the bet throughout the session for better results.

# **Renúncias de dos presidentes de universidades de la Ivy League impulsadas por preguntas sobre antisemitismo en el contexto de la guerra Israel-Hamás**

La renuncia de los presidentes de dos universidades de la Liga de Princeton, el presidente de la Universidad de Columbia está programado para comparecer ante el mismo comité sobre preguntas de antisemitismo y la respuesta de la escuela a conflictos en el campus relativos a la guerra Israel-Hamás.

Una línea de preguntas acaloradas en la audiencia de diciembre, la representante Elise Stefanik, R-N.Y., preguntó a los líderes universitarios si "llamar al genocidio de los judíos" violaría el código de conducta de cada universidad.

Liz Magill, el entonces presidente de Penn, y Claudine Gay, el entonces presidente de Harvard, dijeron que dependería de los detalles de la situación. La presidenta de MIT, Sally Kornbluth, dijo que no había escuchado un llamado para el genocidio de los judíos en el campus de MIT y que el

habla "dirigida a individuos, no haciendo declaraciones públicas", se consideraría acoso.

Casi de inmediato, las respuestas cuidadosas de los presidentes de la universidad atrajeron críticas de donantes, exalumnos y políticos. Magill renunció poco después de la audiencia. Gay dimitió en enero, luego de una campaña prolongada que la acusó de plagio.

En un op-ed publicado en el Wall Street Journal el martes, Shafik subrayó el delicado equilibrio entre proteger la libertad de expresión y fomentar un entorno seguro para los estudiantes en el campus.

Desde el ataque de Hamás a Israel, las tensiones han estado altas en los campus universitarios. Los estudiantes judíos han dicho que sus escuelas no están haciendo lo suficiente para abordar los incidentes de antisemitismo. Mientras tanto, los estudiantes que han organizado en apoyo de los derechos palestinos dicen que han sido objetivo de forma desproporcionada y censurados por las administraciones de los campus.
