We've thoroughly reviewed **Campeonbet Casino** and gave it a Very low Safety Index, which means we don't consider it a safe casino to play at. In our review, we've considered the casino's player complaints, estimated revenues, license, games genuineness, customer support quality, fairness of terms and conditions, withdrawal and win limits, and other factors. Because **Campeonbet Casino** is related to other online casinos listed below, its rating is also influenced by them. So, if you were ever wondering whether this casino is safe and legit or a scam, read the full review below to learn more.

According to our research and estimates, **Campeonbet Casino** is a smaller online casino revenue-wise. It's part of a group of related casinos. However, this group is still quite small even when evaluated as a whole. The revenue of a casino is an important factor, as bigger casinos shouldn't have any issues paying out big wins, while smaller casinos could potentially struggle if you manage to win really big.

We currently have 19 complaints directly about this casino in our database, as well as 109 complaints about other casinos related to it. Because of these complaints, we've given this casino 9,648 black points in total, out of which 1,734 come from related casinos. You can find more information about all of the complaints and black points in the 'Safety Index explained' part of this review.

There are also some unfair Bonus Terms and Conditions, which might cause you issues if you decide to take advantage of the casino's bonuses or promotions. Because of this, we advise you to look for a casino with fair rules or at least pay special attention to this casino's Terms and Conditions if you decide to play at it.

Campeonbet Casino appears on only one blacklist, which hasn't influenced our rating of this casino. We've chosen to ignore it either because it's related to the casino's previous owner, or because of some other applicable reason.

Warning: **Campeonbet Casino** has a €5,000 daily net win limit. This means that you can't win more than €5,000 in one day, with the "net win" being calculated as the difference between the sum of your wins and the money you've wagered. If you win more, you will not get the money exceeding the limit. We consider any win limit to be extremely unfair to players, which is why we penalize any casino that has implemented it, unless the win limit is enforced by third-party factors, such as local regulations.

Warning: **Campeonbet Casino** has a €50,000 lifetime net win limit. This means that you can't win more than €50,000 in this casino overall, with the "net win" being calculated as the difference between the sum of your wins and the money you've wagered. If you win more, you will not get

the money exceeding the limit. We consider any win limit to be extremely unfair to players, which is why we penalize any casino that has implemented it, unless the win limit is enforced by third-party factors, such as local regulations.

Based on the information we've collected and assessed in our **Campeonbet Casino review**, it has a Very low Safety Index. We don't recommend playing at it and strongly advise you to stay away from it.
