Play the Winx Club Games to become a part of a magical realm! The fairies of Magix need

your help to fight against evil and to protect their friends!

FAQ

What are the most

popular Winx Club Games?

What are the best Winx Club Games to play on mobile devices?

How to play Winx Club Games without Flash?

While the Adobe Flash Player Plugin

is no longer supported, you can still access the Flash content on NuMuKi. Just download

and install our custom NuMuKi Browser App. Then, you'll be able to play all your

favorite Winx Club Games using the app. That's it!

Join the fairies on the planet of

Magix!

The Winx Club Games will introduce you to a world unlike anything you have seen

before. Everything is so colored, bright, sparkly, adorable, and filled with the

mystical power of magic! However, this isn't the only thing that has transformed the

Winx Club into a wildly successful animated fantasy and adventure series! In fact, this

Italian-American television production has captured the hearts of fans all over the

world, regardless of gender or age.

As a result, the show has been ongoing since 2004,

generating huge sales of dolls, accessories, and other merchandise. What is more, there

have been live-action adaptations, three movies, a comic book series, and even a stage

musical. What a success!

Are you ready to step inside this magical realm? To begin

with, you should know that this series follows a group of students at Alfea College for

Fairies. As you might expect, this is no ordinary boarding school! Placed on the planet

of Magix, this ancient place is where fairies learn how to control their powers and

learn new spells. Moreover, they use their new skills to fight evil and be the

guardians of their planets. Can you believe that some of them will even become the

queens of their realms?

As is the case with any boarding school, the teenagers will

bond and form groups. You're in luck, as I will introduce to the coolest gang you'll ever meet! Six of the most exceptional students in the school have united to fight evil. Despite their many differences, they have learned how to stick together and face any adversities. See more of their magical realm with the World of Winx game!

Learn

true friendship with the Winx Club Games!

Are you ready to meet the members of the Winx

Club? They are so charming and unique that I'm sure you'll fall for them

immediately!

To begin with, let's meet the leader! At first, Bloom was an insecure

teenager who knew nothing about her real parents and magical powers. However, as she learns more about magic and her true origins, Bloom develops into a confident and powerful fairy.

In fact, she is the guardian of the Dragon's Flame, one of the most

powerful fairies in the Magical Dimension. What is more, she has a heart of gold and

many friends: fairies and animals alike. Help her pet bunny reach her in Kiko's

Adventure game!

Are you in the mood for a chat? Then look for Stella, the Fairy of the

Shining Sun! Even though her royal origins can make her proud and self-centered, she

cares deeply about her family and friends. Also, her charming optimism and killer sense

of fashion makes her presence truly lovely!

Next, I invite you for a stroll in the

gardens. Here you will meet one of the most kind-hearted and sensitive fairies, Flora.

Can you believe that she can talk to plants, help them grow, and even bring them back

to life? Visit her and lend her a helping hand with Flora's Garden game!

Are you ready

to meet Tecna? Beware, she is one of the most intelligent fairies you will ever meet!

Additionally, she is also tech-savvy and the tactician of the team. Isn't that

impressive?

What is that amazing sound? I think it's Musa, the Fairy of Music! At

first, she might seem snarky or harsh, but you'll soon discover that behind her rough

exterior hides an emotionally vulnerable girl.

Beware of the powers of evil!

Everybody

knows that any story would be incredibly boring without antagonists. As a result, I

invite you to meet some of the most dangerous enemies of the Winx Club.

Ready or not,

here come the Trix! Because they are direct descendants of the Ancestral Witches, the

trio is extremely powerful and deadly. What is more, the three sisters attend the Cloud

Tower School for Witches, where they are idolized and feared by classmates and

professors alike. Can you guess why?

To begin with, meet Princess Icy! As her name

suggests, she is as cold and cruel as can be. Besides, she is incredibly powerful and

hates all Alfea fairies! Can you believe that not even her sisters and pets can escape

her torments? You can meet her companion, a silly duckling, in the Halloween's Magic

Cauldron game.

Stormy is the youngest of the three Trix sisters. It's easy to notice

that, compared to her family, she is the most aggressive and sure of herself. What is

more, she is young, wild, and loud. You should fear her rage powered lightning bolts

and her ability to control the weather!

And lastly, but not least, meet Darcy! Even

though she shares her sisters' cruelty, she is more controlled and less violent of the

three. Moreover, she uses darkness, illusions, and hypnotics to confuse and control her

opponents. Isn't that terrifying?

Many other dangerous foes await you in the Winx Club

Games. Are you ready to face them all? Learn the value of friendship from your fairy friends and get ready for battle! You will need to be brave and use the powers of magic wisely to succeed!

There are currently 59 free online Winx Club games on our website.

You can play the games on your computer or laptop, using any browser. Some of the games are also available for your tablets or Android and iOS phones. Here you can see the games 1 - 30.

### **La nostalgia por el Britpop una vez más está en boga entre los jóvenes artistas**

Para algunos, el Britpop fue el punto máximo de la música de guitarra británica: el momento en que Blur, Pulp, Suede y Oasis encantaron al mundo con ingenio y energía. Para otros, ha envejecido peor que la revista Loaded: machista, cargada de alcohol, conservadora y todavía ocupando las listas de éxitos. De hecho, quizás haya algo un poco deprimente en el hecho de que James y Shed Seven hayan tenido álbumes número 1 en 2024.

Sin embargo, una nueva generación de artistas recurre a la energía e iconografía de la Gran Bretaña de mediados de la década de 1990 para inspirarse. La artista del jungle Nia Archives, de 24 años, lleva un resplandeciente Union Jack en los dientes en la portada de su álbum debut, Silence Is Loud. "No hay nadie que haga realmente Britpop en este momento", dijo a la Cara en febrero, "pero siento que 2024 va a ser el año". Dua Lipa ha dicho que estaba "mirando a través de la historia musical del psicodélico, el trip-hop y el Britpop" mientras hacía su nuevo álbum, Radical Optimism, agregando que el Britpop "siempre me ha parecido tan confiadamente optimista, y esa honestidad y actitud es una sensación que llevé a mis sesiones de grabación" – aunque sería difícil notar la influencia en los nuevos sencillos que ha lanzado hasta ahora.

AG Cook, antiguo jefe del colectivo de avant-pop PC Music, convierte "Britpop" en un pegadizo eslogan en su triple álbum del mismo nombre – Charli XCX se hipnotiza con él en el tema principal, mientras que la portada es una distorsión rosada y verde de la Union Jack. Luego está la compositora Rachel Chinouriri, de 25 años, cuya portada para el álbum What a Devastating Turn of Events es muy Britpop, con una {img} de un conjunto de viviendas sociales adornado con banderines de San Jorge. ¿Es solo otra rotación del ciclo de nostalgia, o estos artistas pueden ayudar a recontestoalizar lo que era, y es, el Britpop?

Sensaciones tabloide... Blur en 1995. De izquierda a derecha, Graham Coxon, Dave Rowntree, Damon Albarn y Alex James.

El presentador de la 6 Music Stuart Maconie se atribuye el mérito de haber acuñado el término en un artículo de 1993 para la edición Yanks Go Home! de la revista Select. Describe un periodo específico en el que una ola de bandas llegó con una sensibilidad británica característica, pareciendo una antítesis del grunge estadounidense.

"Siempre distingo entre Britpop y Cool Britannia", dice. "El clima económico embrionario, Tony Blair – eso se vuelve un poco bullicioso y de prepotente. Luego llegas a las Spice Girls, llegas a Oasis, llegas a todas las cosas terrible asociadas al Britpop – las juergas lúdicas, las camisetas de fútbol de réplica. Una cosa es del extrarradio, está por debajo, es ingenioso, misterioso, misterioso, poético, sexy de manera poco áspera. La otra cosa es el fútbol, la cerveza, Three Lions".

Pero con el tiempo, la distinción entre Britpop y Cool Britannia se ha perdido. "Lo que pensamos que es el Britpop no era lo que era en realidad", dice Kieron Gillen, co-creador de la serie de cómics influenciada por el Britpop Phonogram. "Era mucho más amplia. Sobre todo al principio, era más femenina, queer, finales de la década de 1970. Más tarde, era más masculina, más recta, más sesentera y pesada". Gillen basó Phonogram en "la frustración de 'Estuve allí!' – una época en la que la mayoría de la gente tenía gustos mucho más amplios que los chicos con guitarras. "Estaba obsesionada con todo lo que ocurría en la música. Todo el mundo bajó al Good Mixer" – el pub de la escena Britpop en Camden. "Todo el mundo
