“1xBet Happy Friday: Features of the bonus

Every Friday, 1xBet bookmaker holds a promotion where you can earn up to R\$100*. You have to sign up for it within 24 hours, usually it's from 00:00 to 23:59. At the same time, you must have time to make a deposit and wager the bonus. The bonus amount will always be equal to the deposit made on Friday (but no more than R\$100*). The smallest amount for a bonus is R\$1*. To be sure you receive your bonus, please check your account settings beforehand. It is desirable that information about you was entered in the appropriate fields of the profile, and the account itself – verified. Also, when registering do not forget to check the box to agree to participate in bonus offers for sports events. We recommend that you read the promotion rules in advance so that you don't waste precious minutes on Friday.

1xBet Lucky Friday Bonus: conditions for receiving it

In order to get the bonus (for details on the 1xBet bonus account in the article), you must be an active user and make daily actions on the account. That is to make at least one minimum bet, but every day. And also within a day (specifically during Friday) perform 3 simple steps:

Register for the promotion. Make a deposit and automatically receive a bonus equal to the deposit on your bonus account, but no more than R\$100*. Minimum deposit amount to get bonus is R\$1*.

Win back bonus.

Please note that the bonus is only available once per player. Also this promotion cannot be used in combination with other offers.

“1xBet Happy Friday: wagering rules

It would be too easy if the bonus received could simply be withdrawn. It has to be wagered. Until all the wagering conditions have been met, it is not possible to withdraw the money from the bonus account. So, how do you wager your 1xBet Lucky Friday bonus? The main condition is –

you have to do it on Friday! That means the results of the events you are betting on must also be announced on Friday. Otherwise, they won't count towards the wagering conditions and will simply be burned. So, in order to meet the conditions, you need to wager a bonus amount of 3 times. That is, if you received a R\$50* bonus, wager R\$150*. The bet must be of the express type, so that you know the result within 24 hours. Each parlay must have a minimum of 3 events. Each event has a minimum odds of 1.4. The scheme for wagering the 1xBet Lucky Friday Bonus is as follows:

Form a coupon according to all rules. Enter the wager amount. Select a bonus account. Click "Place a Bet".

The next coupon can only be placed after the results of the previous one are known. It is important to note that you have to deposit the entire bonus amount before you can withdraw from your gaming account. Otherwise, all bonuses and winnings from those funds will be forfeited. Also keep in mind that bets on which a return is made do not count.

1xBet Black Friday bonus

Many players often confuse the two names, Black Friday and Happy Friday 1xbet, mistakenly thinking that they are two different offers. However, let's be clear on this point. It's the same promotion that 1xbet runs on Fridays. It's just that when it was created it was called 1xBet's Black Friday, and afterwards (tentatively in 2024) the bookmaker changed its name to Happy.

Therefore, the name "Black Friday" is obsolete. However, that is where all the changes ended, the rules remained the same. *Or the equivalent in local currency.
