Bonus offer - Kickstart your sports betting with a match bonus

To welcome you to the

site, Ivibet will reward you 3 with a 100% match bonus on your initial deposit. This means that up to €150, your deposit will be doubled. 3 To redeem this offer, all you have to do is select the deal when placing your first deposit of at 3 least €10.

The best part

about this sign-up offer is the very low wagering requirement. With the average wagering requirement being 3 in the region of 35x - 45x, the 5x requirement on Ivibet is not to be missed.

Usability, look, and feel 3 - Land exactly where the action is

Landing

on the Ivibet website for the first time we were pleasantly surprised to 3 land straight into the middle of all the action. With no room for messing around, Ivibet diverts you to exactly 3 where you want to be - the online sportsbook. From here, you are immediately introduced to all the betting markets 3 and live betting options. Rather than talk about what they have to offer, Ivibet prefers to show you exactly what 3 you can get involved with by registering.

Located at the top of the screen you will find a navigation menu

that 3 leads you to the main areas of the site - sports betting, live betting, casino, live casino, leaderboards, and more. 3 We were impressed by how fast each page loaded, allowing us to flick across the website with ease.

We also particularly 3 liked how many

language options you are given. With a click of a button, you can adjust the text to 3 over 20 languages including Italian, French, Spanish, and much more. Everything you possibly need is displayed clearly, even changing the 3 odds format is such a breeze with decimal, fractional, American, Malaysian, Indonesia, and Hong Kong odds being available.

Ivibet mobile app 3 - Perfect solution for sports betting on the go

For all

our sports and eSports gambling reviews, we always make sure 3 to check out the available mobile gaming options. If you enjoy accessing online sportsbooks and casino games on the go, 3 then you will certainly not be disappointed here.

The Ivibet mobile app is

available to download on both Android and iOS 3 and provides the same user experience that you will be used to on the desktop site.

Payments - Fast and secure 3 withdrawals

We

were unable to find too much information on the supported payment methods on Ivibet. However, our Ivibet review highlighted 3 that deposits and withdrawals can be paid via Visa, Mastercard, Discover, and some eWallets.

While deposits will appear in your

betting 3 account instantly, withdrawal times will vary according to the payment method you select. If you use an eWallet, you will 3 receive your winnings within 12 hours, so this would be the best option if you want your funds quickly. If 3 you use a credit or debit card, this may take up to 7 working days.

Customer service - Instant support and

3 advice

When you are browsing the website, the first customer support option you will come across is the live chat. You 3 will see a speech bubble icon on every page across the site, making the live chat feature accessible whenever you 3 need it. Simply open the chat window and a live agent will connect shortly to assist you.

Alternatively, there

is a 3 brilliant FAQ section available which contains a huge amount of information. The FAQs are broken down into helpful categories including 3 general, betting, payments, account, and bonuses. We would recommend starting here, as you may be surprised at the sheer amount 3 of advice available.

Lastly, there is also a contact form and email

address available to use. If you choose this method, 3 someone from the support team will be in touch within 24 hours. While we would imagine the live chat and 3 FAQs are used much more often than the email, we were pleased to see that Ivibet supplied several email addresses 3 depending on your query. For instance, there are separate email addresses for support and complaints, so someone who is trained 3 to deal with your specific issue will get in touch.

License and security - Enjoy a safe and secure experience

We understand 3 that before joining the best betting sites you will want to make sure that the operator is safe to use. 3 For our Ivibet review, we took great care to verify the gaming licenses and to make sure the site is 3 safe to use.

Ivibet is owned

and operated by TechOptions Group B.V., which is licensed and regulated in Curacao. The Curacao 3 Gaming Authority is one of the leading authorities in the gambling industry, so you can enjoy betting on the site 3 with full peace of mind.

You will also be pleased to

know that Ivibet uses the latest SSL encryption technology. As 3 a result, your personal and banking data is kept secure while you play casino games and place sports bets on

3 the site.

Rewards and loyalty program - Redeem up to €5,000 in free bets

Upon exploring

the Ivibet website closely, we discovered 3 two VIP programs on the site - each tailored to the online casino and sports betting. For the casino VIP 3 program, you can collect points for every casino bet that you place. As you climb the VIP ladder, you will 3 unlock rewards such as free spins, cash bonuses, and priority customer support.

With

the sports VIP program, you can also collect 3 points for every bet you place but this time you can exchange them for free bets at the end of 3 each month. You can redeem up to €5,000 worth of free bets per calendar month.

Whether you are an avid casino 3 player or

sports bettor, there is a lot to redeem at both of the VIP programs. We highly

recommend joining 3 the one that suits your betting style the most. As long as you

continue wagering as normal, the rest are 3 added free perks that you otherwise would not have had access to.
