I'm an 'under-average' loser - Klopp on Atletico defeat

Holders Liverpool were knocked out of the Champions League with a dramatic extra-time defeat by Atletico Madrid in the last 16.

A finely balanced second leg turned on a catastrophic blunder by goalkeeper Adrian.

Jurgen Klopp's side - seeking to win the trophy for a seventh time - thought they had overturned Atletico's 1-0 advantage from the first leg when Roberto Firmino's first goal at Anfield this season at the start of the added 30 minutes gave them the lead in the tie.

Georginio Wijnaldum's first-half header was full reward for Liverpool laying siege to the Atletico goal for much of the first 90 minutes.

In the second half, Andrew Robertson was then inches away from a winner only for his header to crash against the woodwork.

And yet, as the Kop sensed another memorable Champions League victory, Adrian - deputising for the injured Alisson - paid the price for a dreadful clearance as substitute Marcos Llorente pounced with a low finish to secure Atletico's crucial away goal.

Llorente struck again with another composed finish in the 105th minute and with the spirit draining out of Liverpool and their supporters, former Chelsea striker Alvaro Morata adding insult to injury with a third in the dying seconds to send Atletico through to the last eight.

Alisson's absence proves decisive

This game was, in many respects, a tale of two goalkeepers.

The magnificent Jan Oblak formed a formidable barrier for Atletico Madrid, his yellow shirt a colossal presence in his penalty area as he made nine saves and claimed countless crosses.

In contrast, Liverpool's mammoth effort was fatally undermined by the hapless Adrian, who also made an error that contributed to their FA Cup fifth-round defeat by Chelsea.

The Reds had finally established a measure of control through Firmino's goal, but once Adrian had hacked out a hopeless clearance and Llorente's shot beyond him into the net at the Kop end, Atletico were ruthless.

Klopp looked and sounded suitably downcast last week when he announced his world-class Brazilian goalkeeper Alisson had suffered a hip injury, knowing he could make the difference to a Champions League tie that was always going to be decided on the finest of margins.

And so it proved, Liverpool's morale and fighting spirit disappearing visibly after Adrian's mistake. Liverpool will still complete the formalities of their first Premier League title but they pride

themselves on their status as European champions and this was a painful night.

Atletico deserve huge credit

Atletico Madrid arrived at Anfield with the usual reminders of how the stadium's atmosphere has broken the nerve and resilience of even the elite teams in the Champions League - as Barcelona found out in last season's semi-finals.

Diego Simeone and his players are made of sterner stuff than that. They may have been under pressure for much of this game but not once did they buckle as they faced up to Liverpool's intensity and came out on top.

Atletico simply love defending, each goal conceded almost a personal insult to Simeone - who seemed to relish Anfield's atmosphere - and his players.

After Llorente scored Atletico's second, even Liverpool looked like a side who knew there was no way they would score two goals in such limited time to progress.

The La Liga side's approach may not be a thing of beauty but they are a brilliantly drilled team and this was another landmark triumph for the master coach Simeone.

Match stats

This was the first time Liverpool have failed to progress from a two-legged tie in European competition under Klopp, having won the previous 10.

Liverpool have lost a home European game for the first time under Klopp, with this their first defeat at Anfield in Europe since October 2014.

The Reds have fallen in the last 16 of the Champions League for the first time since 2006.

Atletico Madrid have progressed from five of their previous six Champions League knockout ties after winning the first leg, only failing in last season's last 16 against Juventus (2-0 first leg, 0-3 second leg).

Liverpool have lost both legs of a Champions League knockout tie for the first time since the last-16 stage in 2005-06 against Benfica.

This was the first match in the competition to see four goals scored in extra time.

Llorente is only the second Atletico player to score twice as a substitute in a Champions League game after Sergio Aguero against Chelsea in November 2009.

Firmino scored his first goal at Anfield in 20 games, last netting v Porto in April 2024 - 337 days ago.

Four of Wijnaldum's five goals in the Champions League for Liverpool have come in the knockout rounds.

Liverpool's Alex Oxlade-Chamberlain has been directly involved in four goals in the Champions League this season (three goals, one assist) - his joint-best tally alongside 2014-15 when he was at Arsenal.

### **Temilade Openiyi: la ascensión meteórica de una estrella nigeriana en la música internacional**

El rápido ascenso de Temilade Openiyi, también conocida como Tems, en los últimos tres años ha sido vertiginoso. La cantante y productora nigeriana ha ganado un Grammy y ha recibido nominaciones adicionales a los Grammy y los Oscar por su trabajo con Future, Beyoncé y Rihanna.

Tras dos EP bien recibidos, Tems lanza su álbum debut con un despliegue de 18 temas y una pequeña lista de colaboraciones (Asake y J Cole). *Nacida en la naturaleza* es un poco largo, pero cumple con la promesa inicial de Tems como escritora perspicaz que conserva su voz y estética nigeriana - alté, Afrobeats - al sentirse completamente cómoda en el alma y el R&B estadounidenses.

El álbum se divide entre canciones sobre relaciones y temas sobre abrirse camino en el mundo. Escuchamos discursos motivacionales de su madre y managers (dos interludios), y tomas irónicas o contundentes de parejas que no han cumplido con las expectativas (Unfortunate, el despojado Boy O Boy). Pero son los temas más movidos los que brillan con más fuerza. Después de los sencillos previos Me & U y Love Me Je Je, *Wickedest* es una exhibición de fuerza que muestrea de manera destacada el éxito panafricano de 1999 Magic System's 1er Gaou. El seguro Turn Me Up suena como un sencillo en potencia y no es una instrucción irrazonable de un artista que da un salto en estilo.

#### **Resumen:**

- Tems es una cantante y productora nigeriana que ha ganado un Grammy y ha recibido múltiples nominaciones a los Grammy y los Oscar.
- Su álbum debut, "Born in the Wild", presenta 18 temas y colaboraciones con Asake y J Cole.
- El álbum se divide entre canciones sobre relaciones y temas sobre abrirse camino en el mundo, con tomas irónicas o contundentes de parejas que no han cumplido con las expectativas.
- Los temas más movidos del álbum incluyen "Wickedest" y "Turn Me Up".
