EA SPORTS™ FIFA 23 Companion is the official FIFA 22 companion app, which you can use to manage your FUT team and much more. You will, of course, need an EA account and the FIFA 22 video game for PC, Xbox One, Xbox 260, Playstation 3 or Playstation 4.

You can create your team's roster from the app's interface, participate in the transfer market, or visit the online store to buy coins or 'FIFA points'. Basically, you can prepare your next game so that you can play it as soon as you get home without having to do anything on your PC or console.

Another thing to keep in mind in EA SPORTS™ FIFA 23 Companion is that you can customize and improve your FUT stadium. Hence, you will always have everything ready to receive the rival teams and make your home look as good as possible. Similarly, the tool will alert you of developing new events and in which you can participate to earn many more points that you can later invest in upgrades and transfers.

By downloading EA SPORTS™ FIFA 23 Companion APK for Android you will improve the experience and enjoy all the realism that FIFA offers on console or PC. In addition, with the arrival of FIFA 23, the options in this app will be updated to maximize the new features of the latest edition of EA Sports' most successful title.
