Dezenas de investigadores vasculharam a cena do crime no norte da França. Mais que 450 policiais examinaram o campo e as áreas circundantes, enquanto Interpol emitiu um alerta para os crimes duplex play betspeed Paris:
Autoridades francesas disseram que não vão "perder esforços ou meios" para rastrear agressores fortemente armados, os quais emboscaram um comboio prisional num ataque descarado durante o dia e mataram dois guardas.
Mas três semanas depois de uma extensa caçada, os suspeitos ainda estão fugindo.
O caso levantou questões desconfortáveis sobre se o sistema de justiça da França compreendeu completamente quão perigoso era a presa e como suas prisões sobrecarregados tinham desempenhado um papel.
As autoridades foram apertadas, recusando até mesmo especificar quantas pessoas participaram do ataque. Mas eles dizem que duplex play betspeed investigação fez progressos ".
O procurador de Paris, Laure Beccuau disse à rádio Franceinfo na semana passada que as autoridades tinham "várias pistas a serem descritas como sérias". Ela não elaborou dizendo apenas o fato da emboscada ter sido bem organizada e os suspeitos pareciam estar planejando esconderijos.
Os atacantes desapareceram duplex play betspeed carros roubado que foram encontrados queimado, mas especialistas dizem ser apenas uma questão de quando e não se eles são capturados.
"Sempre leva um pouco de tempo", disse Christian Flaesch, ex-chefe do departamento criminal da polícia duplex play betspeed Paris. Mas no final dos casos os fugitivos quase todos são pego ".

Os dois guardas prisionais que morreram no ataque do mês passado, duplex play betspeed uma portagem de rodovias a cerca 85 milhas ao noroeste da capital francesa foram os primeiros mortos na linha dos deveres nos últimos 32 anos.
"Esta violência é sem precedentes", disse Brendan Kemmet, jornalista e autor de livros sobre os fugitivos mais famosos da França na prisão - incluindo Antonio Ferrara (\{img\}) ou Rédoine Fad ladrões armados que realizaram fuga separada envolvendo helicópteros duplex play betspeed 2003.

Ferrara foi pego após quatro meses duplex play betspeed fuga; o Sr. Fad, depois de três anos: quanto tempo um preso que escapou no mês passado Mohamed Amrá escapará da captura é uma questão aberta?
"Ele agora é o homem mais procurado da França", disse Kemmet.
Amra, 30 anos - também conhecido como La Mouche ou The Fly - foi condenado a 18 meses de prisão por roubo e uma das mais que dez condenações duplex play betspeed crimes incluindo extorsão.
Mas ele também estava sob investigação por acusações mais graves - duplex play betspeed Marselha, relacionado a um sequestro e homicídios; Rouen com uma tentativa de assassinato ou extorsão. Seu advogado se recusou para comentar este artigo
O alerta da Interpol - um aviso vermelho- poderia indicar suspeitas de que o Sr. Amra fugiu
França Especialistas disseram uma viagem ao exterior não pode ser descartada, mas observou a emboscada ocorreu cerca 125 milhas do limite mais próximo e Amras era nativa para Rouen região onde ele estava sendo preso antes dos ataques
Criminosos duplex play betspeed fuga "tendem a cair de volta no terreno familiar", disse Flaesch. Fugitivos podem evitar a detecção, aumentando e usando uma rede de conhecidos criminais ou pessoais para permanecer fornecido. Mas essas redes são provavelmente agora sob vigilância telefones batidos? viagens com caudas
Guillaume Farde, especialista duplex play betspeed segurança que leciona na Universidade
Sciences Po de Paris observou uma ordem incomumente grande para pizza ajudou a polícia eventualmente rastrear o esconderijo da cidade francesa Salah Abdeslam.
"A única maneira de escapar da caçada, mesmo que temporariamente é parar", disse Farde. Até alguém na comitiva cometer um erro ou dar informações --ou ambos."
Abdeslam foi levado sob custódia após um tiroteio; ele passou quatro meses duplex play betspeed fuga. Mas o Sr Abduslam não tinha negócios para administrar, e especialistas disseram que Amra pode achar mais difícil ficar fora do radar...

As autoridades inicialmente descreveram o Sr. Amra como um criminoso de nível médio cujo perfil não correspondeu à emboscada arriscada, mas detalhes das investigações que envolveriam ele foram publicados duplex play betspeed veículos noticiosos franceses e passaram a pintar uma imagem diferente do seu caso anterior:
Com base duplex play betspeed relatórios policiais vazados e registros de escutas telefônica, Le Parisien (BFMTV) informou que Amra havia feito malabarismo com celulares atrás das gradees para executar esquemas como tráfico da droga ou sequestro por resgate. Ele também tentou comprar rifle enquanto estava na prisão segundo os relatos
Éric Dupond-Moretti, ministro da Justiça francês reconheceu perante o Parlamento na semana passada que Amra havia mostrado sinais de "perigo" e "não parecia ter sido levado duplex play betspeed consideração".
Ele ordenou uma investigação interna sobre o manejo da administração prisional do Sr. Amra mesmo quando as questões giram duplex play betspeed torno de coordenação entre outros ramos dos sistemas judiciários".
Em um ensaio convidado no Le Monde, dois juízes de alto escalão da corte francesa Béatrice Brugre e Jean-Christophe Muller fizeram referência ao caso duplex play betspeed questão
dizendo que os esforços para combater o crime organizado na França foram divididos entre unidades policiais nem sempre cooperando adequadamente.
O Sr. Amra foi alvo de investigações separadas duplex play betspeed diferentes jurisdições, e se essas perguntas tivessem sido mescladas os juízes escreveram: "a verdadeira extensão da periculosidade deste criminoso (e dos seus apoiadores) teria ficado clara".
Ainda não está claro se os investigadores da polícia duplex play betspeed Marselha e Rouen compartilharam qualquer informação com funcionários prisionais, que aumentaram a segurança do comboio de Amra mas sem chegar ao nível máximo.
Ainda assim, o caso chamou a atenção para um sistema prisional francês que está estourando nas costuras.
O órgão oficial de vigilância da prisão na França alertou recentemente que as taxas do encarceramento estavam atingindo máximas a cada mês: havia quase 77.500 presos duplex play betspeed abril, mas espaço para menos dos 62 mil; isso levou à superlotação das células insalubrees com violência ", diz o grupo regulador
"Estamos cronicamente suba equipe nos últimos 10 a 15 anos, e o recrutamento não está compensando vagas de emprego", disse Wilfried Fonck. De acordo com um representante da UFAP-UNSA que organizou protestos após duplex play betspeed fuga: "E do outro lado as pessoas carcerárias aumentam todos os meses".
Os relatórios sobre o Sr . Amra conduzindo negócios atrás das grades não surpreenderam Fonck, os drones entregaram telefones a prisioneiros no passado e guardas foram impedido de procurar presos deixando salas visitas para visitarem as casas dos moradores da cidade tornando mais fácil que contrabando entre duplex play betspeed contato com eles
O ministro da Justiça, Dupond-Moretti disse que o governo trabalhará para resolver as questões destacadas pelo caso do Sr. Amra implantando mais ferramentas antidrones e de rotura telefônica nas prisões; também consideraremos permitir pesquisas sistemáticaes ou uso das videoconferência a fim não precisar transportar presos sem necessidade delas", afirmou ele duplex play betspeed um comunicado à imprensa na terça feira (horário local).
Os sindicatos esperam que o governo siga adiante, mas cautelosos.
"As prisões estão doentes há 30 anos", disse Fonck.
