Zâmbia recebe apoio da Huawei Technologies para projeto de vila inteligente

Na sexta-feira, a Zâmbia lançou um projeto de vila inteligente 4 no distrito sul de Namwala, patrocinado pela empresa chinesa Huawei Technologies. O projeto inclui uma torre de comunicação e um 4 sistema solar capaz de fornecer energia a várias casas, sendo o primeiro do gênero na Zâmbia.

Agradaço à Huawei Technologies pela 4 parceria

O presidente da Zâmbia, Hakainde Hichilema, agradeceu à Huawei Technologies Zambia pelo apoio, que se alinha com a agenda digital 4 do governo para trazer desenvolvimento às áreas rurais.

Memorando de entendimento com o governo da Zâmbia

A empresa chinesa de tecnologia também 4 assinou um memorando de entendimento com o governo da Zâmbia para estabelecer 100 vilas inteligentes nas 10 províncias do país.

Compromisso 4 com a digitalização da Zâmbia

O projeto é outro exemplo do compromisso do governo chinês e das empresas chinesas com as 4 promessas feitas para fortalecer a digitalização da Zâmbia durante a visita de Estado do presidente zambiano à China no ano 4 passado.

Impacto positivo na Zâmbia

Espera-se que o estabelecimento de 100 vilas inteligentes ofereça eletricidade e acesso à internet a 400.000 moradores 4 e crie mais de 5.000 novos empregos.

Huawei pronta para preencher a lacuna digital

Phil Li, vice-presidente da Huawei para a região 4 do sul da África, disse que a empresa estava pronta para trabalhar com vários parceiros para preencher a lacuna digital 4 na Zâmbia e contribuir para a digitalização do país.

Projeto inicial da Huawei na Zâmbia

O projeto da vila inteligente é o 4 início do esforço da Huawei para garantir que nenhuma vila zambiana fique para trás elf slot relação ao acesso à eletricidade.
