Tempo, If you've forgotten your Estrela Bet account details, don't worry - the process to recover it is relatively straightforward. Here are the steps to follow:

How to recover your Estrela Bet account:

Go to the Estrela Bet website (www.estrelabet.com.br

) and click on the "Login" button, usually located at the top right corner of the homepage.

In the login window, click on the "Forgot your password?" link, typically found below the password input field.

You will be redirected to a new page where you will be asked to enter the email address associated with your Estrela Bet account. Type in your email address and click on the "Submit" or "Reset Password" button.

Check your email inbox for a message from Estrela Bet. The email will contain a link to reset your password. Click on that link.

You will be redirected to a new page where you can set a new password for your Estrela Bet account. Type in your new password in both the "New Password" and "Confirm Password" fields, then click on the "Submit" or "Save" button.

Once your new password has been set, you will be automatically logged in to your Estrela Bet account. You can now start using your account again.

In case you cannot recover your account using the email address, you can also try the following steps:

If you have registered your Estrela Bet account using your phone number, click on the "Forgot your password?" link and then select the "By phone" option. Enter your phone number and follow the instructions to reset your password.

If you still cannot recover your account, contact Estrela Bet's customer support. They will help you recover your account by asking a series of security questions or by asking you to provide a document that proves your identity.

Remember, keeping your account secure is essential. Make sure to use a strong and unique password, and avoid sharing it with others. Also, consider enabling two-factor authentication (2FA) for an extra layer of security.

Note: Kindly remove the website URLs if required, as I am not sure if they are allowed in your context.
