Betway Sportsbook

Since the mid-2000s, the Betway Group has been a well-known online betting operator throughout the world. Starting in the United Kingdom, they've expanded to places like continental Europe, Mexico, and even South Africa with their Betway Casino app.

And now, with the American online sports betting market exploding, the Betway Group is making yet another move. In 2024, they brokered an operating agreement with DGC (Digital Gaming Corporation) to bring Betway's Sportsbook to several states in the US that regulate the sports betting space. At present, they are accepting bets online in Arizona, Colorado, Indiana, Iowa, Louisiana, New Jersey, Virginia, and Pennsylvania, but plan on launching in more states in the near future. Read our Betway review for all the details before you make a Betway account and claim the bonus code offer.

Ongoing Promotions

The biggest promotion is the Betway Big Pick, where sports bettors choose outcomes for the week's NHL, NBA, NFL & MLB -related questions. The weekly cash prizes areR\$5,000 and you can create your own group with family and friends! Additionally, they also run odds boosts on certain sports events on the site. Make sure to check out the Betway boosts every day to get the best lines. You can also find short-term Betway promotions on popular sports, such as parlay boosts for soccer parlays or enhanced odds for an upcoming NBA game. They also allow partial cash out, meaning you can withdraw cash from the bet but keep some in case it does end up winning.

Betway Plus is a loyalty program in operation in other countries, and it will remain to be seen whether they introduce the loyalty programs for tier tokens on this side of the pond.

States

Betway platforms originally launched in Spring 2024 in Colorado and Indiana. Since then, the Betway site has expanded into 9 states: Arizona, Colorado, Indiana, Iowa, Louisiana, New Jersey, Ohio, Pennsylvania, and Virginia. All users regardless of the state get a welcome bonus offer, and the website functionality, betting options, and promotions are all the same.

Betway Mobile App

Betway Sportsbook operates a mobile betting app for both iOS and Android. Apple users can download the app from the Apple App Store, and Android owners from Google Play Store. The Betway sports betting app works just as well as the desktop version; for example, you can place your live sports bet from the app as well. The most important benefit of a betting app is that you can place your wager anywhere, which is why most people value mobile wagering.

Geolocation Technology

Last bit of important information regarding the app: the law requires sportsbooks to prevent out-of-state gamers from playing on their server. To do this, they use geolocation software. However, this can cause problems for players who live near state borders. If your phone connects to an out-of-state tower, you won't be able to play on the Betway app. To avoid this issue, connect to wi-fi before loading up the app near the state lines.

Available Sports Markets

Betway offers real money wagering on a good selection of betting opportunities and categories. In addition to all the major sports' main leagues, the Betway app offers plenty of niche leagues and

college sports coverage too. Use the search function in the user interface to find your favorite sports to add to your bet slip. Soon, you might see options like esports betting and horse racing and stream live games on your device. The Betway Group is also the official sponsor of West Ham, so you can count on the Premier League to pop up often!

Bet Types

Like most sportsbooks, Betway has a wide variety of sports bets, including single bets and parlays (place combined wagers in a single bet). They deliver the same experience on all their online gambling sites, and we think they'll attract many new users. Compared to other sportsbooks, this wager-type selection is quite impressive. Recently, they acquired sponsorships with several NBA and NHL teams, so we wouldn't be surprised if they offered something special on basketball and hockey bets. While they have standard odds, there are some alternate lines for almost any given match.

Live betting has become the best way of wagering in the US, as you can place your wagers while watching the game in real-time on most sportsbooks. Betway offers various types of live wagering opportunities on their site for many of the sports listed here. Check the in-game betting options for each game from the site.

Online Banking Options: How to Deposit Cash and Withdraw Funds?

Ready to place wagers on Betway? You need to make your first deposit after signing up to get things started. Because they plan on launching in all of the states where mobile betting is allowed, they already offer multiple deposit methods. Just note that per local laws, banking methods will differ depending on the market. Other options for depositing money might also be upcoming, like e-wallets, direct bank transfers, cash at the casino cage, and debit card.

As per usual in the betting industry, all the deposit options are instant, and they don't have a maximum deposit limit. However, withdrawing funds takes some time based on the chosen withdrawal method; if you've used the same one as a payment method to deposit funds, the process is a bit faster. Below are some of the available deposit and withdrawal methods:

Banking Methods	Deposits	Withdrawals	Withdrawal Time	Credit Card (Visa, Mastercard)	Yes	No											
N/A	Prepaid Card	Yes	Yes	2 - 6 hours	PayPal	Yes	Yes	2 - 3 days	VIP Preferred	ACH Transfer/e-Checks	Yes	Yes	3 - 5 days	PayNearMe by 7-Eleven	Yes	No	N/A

Why Should You Bet at Betway?

Betway is now a mainstay in the American online sports gambling industry. Since April 2024, they've launched in several gambling markets – and so far, we like what we see.

The desktop site layout and experience are superb The Betway welcome offer for the first qualifying wager is good value and on par with other offers in the U.S. They have a wide range of market offerings (available international sports include Handball and Volleyball, bets include Same Game Parlay) The betting odds and other key features are good in all eight states

However, Betway Online Sportsbook is just getting started – just like all sports fans, we're excited to see what else this legendary brand will bring to the American sports wagering marketplace and mobile betting. Fellow European competitor, Betsafe Colorado is trying to reach the same sportsbook customers, so we will see what happens. Please gamble responsibly!
