Bravo Bet

One of the best betting companies in Ethiopia is mobileavobet.et, and the mobi and desktop platform is arguably one of the most comprehensive in the country. They stand a chance of owning a large share of the market, along with Winner ET, Hulu sport, Qwickbet and Betika ET. Get 10 FREE SPINS for the first deposit of 50ETB Accumulator Bonus WIN UP TO 100% 100% 10,000 ETB New registering players only

The Bravobet site boasts a substantial sportsbook, live games and surprisingly a casino. The platform also excels in look and feel and has one of the best-looking landing pages.

The lay-out is top-quality with the massive sports betting market running down the length of the main landing page. Bravobet offers a significantly large football market and importantly boasts a large amount of other sporting codes, including Ice-hockey, tennis, futsal, MMA, darts and many more.

This variety is a major plus as it shows that there is serious development around the site, and the operators are serious about making this one of the foremost betting mobi and websites in the country.

Their football offerings include all the top-tier leagues such as the EPL, La Liga, Serie A, Bundesliga and Lige 1 but also almost every soccer playing nation in the world except it seems the Ethiopia Premier League.

Bravobet does not have a discernible, advertised football jackpot and this could count against it in the long run. One of the key ingredients needed for an industry-leading betting platform is a decent football jackpot, an opportunity for punters to make life-changing wins with small stakes. Bravo Bet Promotions

The site has other limitations, with no promotions. Many Ethiopian sites do not advertise their promotions, if they have any but sometimes thus can be found by trawling through the terms and conditions section. Bravobet does not make any mention of promotions in this section, which is essentially a guide to how to bet.

According to the terms and conditions the minimum bet for the platform is 30 birr and the maximum pay out is capped at 350 000. Winnings of 10 000 and below earn instant pay-outs while wins for 350 000 will take 24 hours. This is decent in comparison with other Ethiopian sites, where punters sometimes must wait weeks for such a large pay out.

There is also mention of a 15% tax on wins over 1000 birr, so punters must take that into consideration when working out winning dividends and pay-outs.

Deposit/Withdraw with Bravo Bet Ethiopia

Betbravo is based in Germany and has opened or sold a franchise to Ethiopian operators. The how to bank section is not clear and obvious and based on the details given a punter can deposit or withdraw at one of the retail shops.

The minimum deposit is 10 birr and there is no limit on the maximum.

The main landing page menu directory has four links, namely sportsbook, live games, casino and live score.

The sportsbook is comprehensive as mentioned, while the live games is basically live action on events taking place at any given time across the globe.

The casino is also limited to slots games, with 24 available for mobi and web playing.

The live score link on the main menu opens another page with latest results for all sportsbook events offered by the platform.

The bet slip is located at the top right-hand side of the landing page and is well presented and clear.

The platform offers so much promise based on look and feel, extensive sportsbook and large bet-market for each event.

How to register with Bravo
