Title: CBET Exam Dates - Everything You Need to Know

The CBET (Certified Biomedical Equipment Technician) exam is a certification that proves a professional's competence in maintaining and repairing biomedical equipment. The exam is

offered by the Association for the Advancement of Medical Instrumentation (AAMI). There are two exam periods each year: May 1-15 and November 1-15. Candidates can choose any date and time within the 15-day period.

The CBET certification expires after five years, and to reactivate it, candidates must retake the exam. Biomedical equipment technology is constantly evolving, so keeping up-to-date with the latest technologies and techniques is crucial.

CBET is essential for biomedical equipment technicians, ensuring they can safely and efficiently maintain and repair medical equipment. The exam consists of 165 multiple-choice questions covering all aspects of the biomedical field. It's known to be challenging, with a 40% failure rate. To become a successful CBET candidate, consider the following steps:
