Due to the fact that we are talking about an old-school slot machine in its essence, the EGT title is pretty simple to use. The 2024 release features three reels, three rows and benefits from 27 ways to win. Just land three matching symbols on adjacent reels and you will start winning payouts, it's as simple as that. Betting starts at 10 credits per spin and the biggest possible wager is set at 200 credits per spin, which is a quite wide betting range.

As for the control panel, it is pretty standard for EGT products and offers all the options gamers may need, including Autoplay, which is reserved for those punters who prefer when a machine does all the hard work.

The visuals are simple, but crisp and the reels run as smoothly as possible, securing a quality gaming experience to all spinners. Lucky Sevens are leading the pack of high-paying symbols, followed by the Golden Bells, Watermelons, Plums, Apples, Grapes, Oranges, Lemons and Cherries. The Joker Hat is Wild that will substitute for all regular symbols on the reels, while the Logo is used as Scatter, which does not trigger any special features, but awards Mystery Wins. Punters need to land three Logo Scatters on the reels in order to trigger the Mystery Win feature. Once that happens, you can expect a random win, which can go from 250x to 1,000x the triggering bet, which is quite nice actually. Wild cannot substitute for Scatter, so the Joker Hat cannot help you trigger the Mystery Win feature. If you are not satisfied with your wins, you can always activate the Gamble feature after every win and try to double your wins simply by guessing the correct colour of the hidden card.

The 27 Wins video slot is not as action-packed as, for example, 20 Hot Blasts or 5 Juggle Fruits, but it does offer a couple of fun and rewarding features, including the Mystery Win and Jackpot

Cards, despite the fact that you will have to wait for quite a while before the jackpot feature is triggered. We simply love the visuals, even though the 2024 release is a classic fruit machine in its essence. The Mystery Win can offer up to 1,000x the bet, which is not that bad. The EGT title will not keep you busy for hours, that's for sure, but it could be interesting to take 27 Wins for a spin or two.
