About Cayetano Gaming

When it comes to exclusive gaming options at Paddy Power, they don't come much more custom-made than Cayetano products. Wholly owned by Paddy Power Betfair PLC, this software supplier has grown under our wing since 2011. Indeed, prior to a 2011 takeover, Cayetano Gaming was a small start-up within the online casino gaming space.

These collaborations can lead - and have led! - to some fantastically engaging slots that combine entertainment and payouts in one neat package.
