Here at MansionBet, we have many years of experience in the industry and have seen various online sportsbook come and go. Some of them have gone out with a bang whereas others have quietly disappeared with very little fanfare. However, it is surely testament to Sportingbet UK that they have been able to stick around for over two decades and continue to deliver a consistent and high quality sportsbook and casino.

Throughout our time composing this Sportingbet review, we found that this online operator consistently delivered when it came to sports markets and odds. We found everything that we were looking for and very rarely found better odds elsewhere. Their A-Z list of sports is highly impressive with Biathlon, Chess and Lacrosse perhaps surprisingly listed amongst this comprehensive catalogue of sporting events. They also offer eSports betting and various political as well as TV and film specials throughout the course of the year.

Although some punters may be deterred by the seemingly complicated nature of their welcome bonus, Sporting Bet have made it relatively straightforward to complete the 'Welcome Challenge' and having taken the time to read the Ts and Cs, we found that it wasn't overly taxing. Players must place a variety of bets (in-play, accumulator, any football market etc) within 30 days of opening an account in order to take advantage of their welcome package. Unless, this isn't likely to appeal to every single bettor, we found that with the exception of 'The Casino Challenge', it was a relatively straightforward request and we were happy to oblige in order to receive our free bets.

Sportingbet offer their

players a variety of ways to fund their account and we were reasonably impressed by this list. Although the addition of Apple Pay and Bitcoin may be something that they could potentially consider going forward, we found that the variety of e-wallets and pre-paid cards sat happily alongside popular methods such as VISA. The deposit process was straightforward and because we used PayPal, it took just 48 hours to receive our winnings.

As keen football bettors, the addition of a Bet Builder function was right up

our street, and we enjoyed mixing and matching our markets accordingly. However, the best feature offering by Sportingbet UK is Live Streaming. We enjoyed watching several live events whilst simultaneously placing bets on markets such as 'Next team to score'. The pictures were high quality (no grainy {img}!) and were also accessible via the mobile app.

Sadly, one of the biggest disappointments was the customer support offered by Sportingbet. Although there are plenty of options (and the telephone and email services were very helpful), the live chat function was a bit of a let-down. It is only available from 9am to 9pm and we were forced to speak to a bot prior to being connected to an advisor. With a number of security questions also thrown into the mix, it took longer than expected to resolve our query and this was significantly slower than we'd experienced with other online betting sites.

"Sportingbet leads the way with competitive odds."

Overall, Sporting Bet UK delivers on its promise of 'creating fun and excitement' and there is almost certainly a 'unique live feeling' to its in-play markets. We enjoyed the range of features, the highly competitive odds and the copious sporting markets which were available on a daily basis. With the exception of below-par customer support (live chat), there is plenty to like about this online sportsbook and if you're looking for your first-ever online sportsbook, then Sportingbet UK comes highly recommended.
