A brand new coaching job for the Brazilian squad has just been granted to Jorge Jesus. He plans on turning things around from their un successful 2024 season. He spent seven years playing for Benfica, making 436 appearances. Back in the day his crew nicknamed him "The Black Prince" because of his tough yet elegant playing style. Before becoming a coach, he was known as one of club owned by S.L. most talented figures. In this new role, he says, "My ambition is to restore athletic football to its rightful place." Being a demanding disciplinarian, he intends to bring out only the best in this athletes with a strict conditioning program focused not just on running kilometers, but efficiency, nutrition and team tactics, hand in hand with mental preparation. Though his ambitions are grand, he aims to first tackle the immediate task at hand and bring instant success to the Brazilian team using all his experience strategizing against European teams with his tactics of pressure and resistance. With a strategic mindset and the most valuable players, he aims to mold the team to win. The clock starts ticking to see if he will live up to his reputation and create something amazing.

Even with high standards, he hasn't won anything with Palmeiras. However the press believe this might be Jorge's year. There's word that President Fernando has recently acquired talent for strengthening their team and purchased players from the Argentine league. Three of which are Gerson (named by many as the 3rd best in the world) and stars Rivellino and Romario of Barcelona- a shining hope for the country's international outcome. Many are feeling positive about their prospects since the recent acquisition of Avair Congo, a striker famed for his aggueintness, bravery and determination. People are waiting expectantly as the beginning of qualiifcation stages, anxious to witness the Brazil Team compete and how other confederations will handle Jorge's methods. This is Jorge Jesus' unique opportunity to impact everything related to sports. He is giving into his 3 years contract. Fans will witness his strategies unfold against Korea Republic not too long ago and wonder will conquer this rivalry-the opportunity begins August 12th! Tune in then!

There's ample opportunity now for United States main striker Keylor Navas' and Swedish midfielder trialist Kim Kallstrom to shine in their first encounter with Paris-Saint Germain at Sangiao, to get that promotion spot light. Manager Sir Alex does not take his foot off the pedal as Manchester United beat Barca-Lesta this year to top their 2012 La Remonda victory. This time his objective is nothing short of conquering world cup glory. At this stage United is yet untouchable after just their second session under Ferguson, completely aware of the threat that Barcelona pose following dismantling both guardiola's squad and Cristiano Barcos Real Madrid for the Champions Champions League glory no matter a change from Jupp Heynckes at Bayern Munich or even a super year for Didier Drogba at Chelsea. Guardiola's team has never fallen so early at this period in a long unbeaten run. With those risky Ferguson methods that inflict extreme endurance, Cristiano Ronaldo stepped his game up unlike anyone else! Now, he calls United a real contesta - something that many others including Jose Mourinho would deemed impossible. Because of these kind superior pairings. people began to wonder if Barcelona possessed 'Cracks'

that would prevent them from rising farther. All in all, this might just be the breakthrough moment that Cristiano needs to lead United to victory! Who do YOU think has what it takes to rule world cup'24? Let's investigate Real Madrid and Germany traits in the partners below.

Neymar da Silva, or just Ney as he's called by fellow Brazilian soccer players like Pelé, Rivaldo and Ronaldinho (the trio being top forwards two decades ago), was raised in the shadow of Santos FC, Pelé's first beloved team of 3 major titles, located on a cliffside above beach; landing #36 behind Argentina led Lionel in Top Players last March according to Thehardtacks. Barcelona also finished runner-up when Bayern hammered them during semis. Will individual success at Barca and now Paris help lift other lackluster seasons following his trade until recently, when their top three players came together they began winning championships internationally? More and more fans thought Neymar deserved a top three position after this year's hard cup wins. Forbes named and Ron Harry Forbes among its list not long after featuring Gareth Bale and Sergio Ramos as cover guys within recent years and being the fourth football star besides Harry Kane who was third last July and August, behind Cristiano and Messi. In the next month, French Magazine could have covered him, this would be interesting since he is making the most paid wages across all top Europe championships out of anyone (the next three is Aubameyang featuring Edin Dzeko and Harry Kane). Givemesports made all that occur and got the ranking that is listed below. Lionel Messi takes the cake, followed by Cristiano Ronaldo and then Kylian Mbappe but Messi doesn't play chess rapid yet, Cristiano has up to an 8hr advantage from what I found with top chess members. Is this Neymar's year after taking a pay cut for a winning season?
