Friday Night Funkin' (fnf) is a musical rhythm game

created by ninjamuffin99. In this game, you need to impress your lover's ex-rockstar father with the power of music! You must survive multiple weeks of freestyle music battles to win him over. Press the arrow keys in time with the music to outdo your opponents. In the story mode, you need to mirror your opponent's singing by using the WASD and Arrow keys. The first songs start simple, but the beats get much more complicated later on with the introduction of duets. You can also enjoy the free play mode and enjoy all the cool beats and characters this game has to offer. Feel free to adjust the difficulty to your liking and start vibing!

How to play:

Press the WASD or

arrow keys in time with the music to outperform your opponents. Complete the tutorial level and start progressing through the story, or head to free play mode and play against any story characters from the game. In story mode, you can set the level of difficulty that best suits your ability.
