Friv

On our website, you can play Friv games for free. Here you will find one of the largest collections of various games. All of them fall into many categories. Thanks to this, you can easily find exactly the way of virtual relaxation that you like. The first task you need to do when it comes to online games is choosing the right game. You can find your favorite online friv game using the search space, which you can find at the top right corner on the website page. There are many websites with vast collections of games for all your needs. All you need to start playing friv is just a computer and internet connection.

Friv Games for everyone

Everyone will be able to find something suitable on our website. After all, here are presented online games of completely different categories:

- These are educational games for the smallest ones, playing which your children will develop their logic and become more educated;
- Complex logic games which you can play with your whole family or company department;
- Simulation games that allow you to feel like a pilot of an airplane or a racing car, a soccer player or a master of downhill skiing;
- Sports games for people who are not only fans of various types of sports, but who themselves are happy to take part in competitions, even virtual ones;
- Racing games are for people who love to feel the drive and experience the feelings of a true speed car driver.

For the most part, our website has small HTML5 games that will not overload your computer and will not take much time. You can easily play Friv Games even during your work break. And, most importantly, these games are available on any computer connected to the Internet. You will not need to go through inconvenient registrations, answer thousands of stupid questions and wait several hours to download the game. Just find our website on Google, and you can play wherever you want.

Only Friv for the bold and the fun!

We are glad to present you with a perfect opportunity to play the best Friv games on the Internet. We have collected games of various types so that anyone can find something interesting. On our website, you will be able to play any game you want, be it one of the most popular ones or one

that is only making its way to success. Meet various characters throughout your whole gaming experience and help them to achieve their goals. You can play not only the latest releases from the gaming industry but also good old games, which were popular more than a whole decade ago! Even a person with the most specific preferences will be able to find something to fit their taste. Not only will you be able to spend your time funnily, but also to test your logic skills and master them to perfection. Bookmark our website, and you will forget about the question "What to play?" forever. Perhaps this website will even become a favorite place on the Internet for you and your children. By the way, all these Friv Games are suitable for kids.

Our Friv2Online team:

Friv2Online was founded in 2012. Since then, it delivers online games to its users. Our goal is to create the best websites for the promotion of browser games.

A Bolo tres leches durante el verano es un verdadero deleite. Para un pastel hecho de tres leches - evaporada, condensada y leche entera fresca - esta clásica latinoamericana es sorprendentemente refrescante. Siempre que lo anhele, mi mente divaga hacia la creación de mi amiga Terri Mercieca [fundadora de Finales Felices]: el sándwich de helado tres leches. Piense en una delicada base de bizcocho amarillo abrazando capas de helado y dulce de leche decadente. ¡Es un golpe rápido! O para un proyecto un poco más, haga la receta de hoy.

## Torta tres leches y fresas

Preparación **25 min**

Cocción **30 min**

Enfriar **4 hr+**

Sirve **8-10**

Para el bizcocho

**4 huevos**

**Una pizca grande de sal**

**150g de azúcar moreno**

**130g de harina común**

**1 cucharadita de polvo de hornear**

**50g de mantequilla sin sal**

Para la mezcla de leche

**410ml lata de leche evaporada**

**200g de leche condensada**, más 60g para el topping

**100ml de leche entera**

Para el topping

**300ml de nata espesa**

**250g de fresas**, sin tallos y cortadas por la mitad

Precaliente el horno a 195C (175C ventilador)/380F/gas 5½. En el tazón de una batidora de pie o en un tazón grande con un batidor eléctrico, bata los huevos, la sal y el azúcar hasta que estén pálidos, espesos y esponjosos - alrededor de 15 minutos a velocidad media.

En un tazón aparte, mezcle la harina y el polvo de hornear, luego derrita la mantequilla.

En tres etapas, tamice la mezcla de harina sobre la mezcla de huevos y mézcle suavemente hasta que no queden grumos. Vierta el aceite derretido en el tazón en tres etapas, revolviendo después de cada adición.

Vierta la masa en una lata de 18cm x 28cm x 5cm (no es necesario engrasar o forrar) y extiéndala uniformemente. Hornee durante 25-30 minutos, o hasta que un palillo insertado en el centro salga limpio. Retire el pastel del horno y déjelo enfriar completamente. Una vez que el pastel esté frío, bata las leches evaporadas, condensadas y enteras en una cacerola hasta que estén bien combinadas. Caliente a vapor, luego retire del fuego. Haga agujeros en la superficie del pastel usando un pincho o tenedor.
