Started Teachers

1. Create a group for your class.

Within your Group you will post

discussion prompts for your students, called Topics, which serve as the stimulus for your learner's video Responses. 2. Create a 'Join Code'.

Learners will use this code to

access your grid, so try to make it easy to remember. Permissions When you set up your

Group, you will choose how learners can access by selecting a Group Community Type.

Student Email: choose this option to allow only those with @hwbcymru usernames to access your Group

You must also add '@hwbmail' to the 'Add school email' section to ensure all of your learners will be able to access your group

choose this option to

allow only those with usernames to access your Group Student username: Students will join the Group by using a unique student ID of your choosing, which can be as simple as 2+ letters or numbers

Students will join the Group by using a unique student ID of your

choosing, which can be as simple as 2+ letters or numbers Google Classroom: select this option, login with your Hwb username and allow access. You can then select a class from your Google classroom 3. Add Topics

Topics are the stimulus for conversation. Within

your Topic you can include anything you would like your learners to review prior to recording a video Response, such as videos and links.

4. Share your Group and collect

videos from your learners

Once you have set up your Group and created your first Topic,

share your Group's Join Code with your learners. You can copy/paste a link to your Group in Google Classroom, Microsoft Teams, or whatever you use to communicate with your class. That's it! Your class is now ready to go with Flip!

Customising your group

or topic settings Click the pencil icon on the group you would like to edit Scroll down to see the options for notifications, captions and more. Personalise your group with your own cover image. Click Update group You will now be inside your group details. Here you can add a co-pilot – invite another teacher to help you moderate your grid by adding in their Hwb email address. Note, they will need to be signed up as a Flip educator before they can be a co-pilot in your group. Important As with every virtual

online learning space, you must always add another education practitioner for safeguarding purposes.

It is important that the Group owner takes responsibility for

adding and removing other staff members as appropriate. Add a topic within a group Once inside your group details you will see the option to Add new topic. Choose a topic title Add instructions, success criteria or general prompts for learners Set the recording time (15 seconds up to 10 minutes) Toggle the Video moderation switch to On to ensure videos are hidden from learners until you activate them Optional: add a media source to support your learners Select More options to attach resources for learners and to access additional topic settings, such as choosing which video features are switched on or off for learners, including the option for learners to record video responses to other learner's videos Choose Create topic Edit a topic Click on the group containing the topic you would like to edit Click the pencil icon on the topic you would like to edit. Update your topic settings, including video features. Choose Update topic. Important: You should ensure Video Moderation is toggled to On. If moderated, videos will be hidden from learners until you activate them.

Deleting a Group Click the

pencil icon on the grid you would like to delete The delete button should be visible in the bottom left corner. Changing the Group visibility Click the pencil icon on the group you would like to edit Scroll down to Features. Toggle to make your grid Active or Hidden. Hidden groups are not accessible to learners. Important Teachers should ensure they delete groups they no longer require.
