German football executive and former player

Karl-Heinz "Kalle" Rummenigge (German: [kahlhants kal mn]; born 25 September 1955) is a German football executive and former professional player. Considered one of the greatest German footballers, he was also the longtime Chairman of Executive Board of FC Bayern München AG, a daughter company of German Bundesliga team Bayern Munich.

As a player, Rummenigge had his greatest career success with Bayern Munich, where he won the Intercontinental Cup, two European Cups, as well as two league titles and two domestic cups. He also won two Ballon d'Or awards, in 1980 and 1981.

A member of the West Germany national team, Rummenigge won the 1980 European Championship and was part of the squad that finished runner-up in the 1982 FIFA World Cup and at the 1986 World Cup.

Rummenigge is a former chairman of the European Club Association, serving in that capacity from 2008 until 2024.

Club career [edit]

Rummenigge with Bayern Munich in 1982

Rummenigge was born in Lippstadt, North Rhine-Westphalia.

He joined Bayern Munich in 1974, coming from the Westphalian amateur side Borussia Lippstadt, for a transfer fee of ca. €10,000. He immediately showed great strength as a dribbler. His scoring qualities were initially insignificant, but would find great improvement in later years, particularly after the arrival of coach Pal Csernai in 1979. In 1979–80, he scored 26 goals and became for the first time the Bundesliga's top striker, a feat he repeated in 1981 and 1984 with 29 and 26 goals, respectively.

With Bayern he won the European Cup in 1975 and 1976. In 1975, he did not take part in the final of the competition, whilst in the year thereafter a glass of brandy sufficiently prepared the nervous Rummenigge to contribute to the defeat of AS Saint-Étienne. In the same year he became also part of the team that prevailed in the Intercontinental Cup finals against Cruzeiro EC from Belo Horizonte.

In the era of coach Csernai he found in midfielder Paul Breitner a congenial partner and he formed such a formidable one-two-punch that they were only called Breitnigge (name invented by German newspaper Bild).

The club, then often dubbed as "FC Breitnigge", won in this period the Bundesliga title in 1980 and 1981, and the DFB-Pokal in 1982 and 1984. A renewed triumph in the European Cup was denied, when the club lost the 1982 final narrowly against Aston Villa. In the season before

Rummenigge was top-scorer in this competition with 6 goals.

His substantial contribution to the successes of the club and the Germany national football team found also expression in personal honours. In 1980, he was named German Footballer of the Year and in 1980–1981 the European Footballer of the Year.

In 1984, aged 29, he was sold for a record fee of €5.7m^[1] to Inter Milan. Despite a notable beginning, in which he helped the team to compete until the end for the 1984–85 Scudetto, Rummenigge's career in Italy was mostly marred by injury problems. At the end of his contract in 1987, Rummenigge moved on to Swiss first division club Servette FC in Geneva, where he saw his career out. In his last season, 1988–89, he had his last success, becoming top scorer in the Swiss league with 24 goals.

International career [edit]

With the West Germany national team he took part in the 1978 World Cup in Argentina, 1982 World Cup in Spain and the 1986 World Cup in Mexico. In 1978, West Germany exited in the second group stage of the tournament. In 1982 and 1986, the team was runner-up behind Italy and Argentina, giving him the unique distinction of captaining the senior team to two silver medals in the FIFA World Cup.^[2]

Rummenigge also took part in two European Championship tournaments. In the 1980 competition in Italy, West Germany defeated Belgium in the final by 2–1 to win their second UEFA Euro.

Altogether, between 1976 and 1986, Rummenigge amassed 95 caps and scored 45 goals for West Germany, including one in extra-time in the 1982 World Cup semi-final victory over France, and one in the losing 1986 World Cup final match against Argentina. He also scored a hat-trick in a group stage game against Chile during the 1982 World Cup.

Style of play [edit]

One of the most talented attacking players of his generation, Rummenigge was often lauded as a highly versatile forward, capable of playing as a second striker, winger, or flat-out centre forward. His main strengths were his pace, dribbling, heading and goalscoring ability, from both close range and from outside the box. He also had a penchant for scoring from awkward situations. Rummenigge was also praised for his both-footedness, leadership and physical strength. However, his later career was greatly affected by injuries, in particular after his move to Inter Milan.

Bayern Munich management [edit]

Rummenigge (right) with Uli Hoeneß in 2013

In autumn 1991, Bayern Munich invited Franz Beckenbauer and Rummenigge to return to the club as vice presidents. Rummenigge held this position until February 2002, when he was appointed Chairman of Executive Board of the newly corporatised football department of the club (FC Bayern München AG).^[3] According to the club, "in his role as chairman he is responsible for external relations, new media, board affairs and representing the holding company on national and international bodies."

During his tenure, Bayern Munich managed to move to their new stadium, Allianz Arena.^[4] Oliver Kahn took over his CEO position at Bayern Munich from 1 July 2024.^[5] Rummenigge was appointed a member of the supervisory board on 30 May 2024.^[6]

Miscellaneous [edit]

In April 1983, the British pop duo Alan & Denise recorded a tribute song about his "sexy knees" in the song "Rummenigge". The single reached number 43 in German charts.^[7]

From 1990 until 1994, Rummenigge worked as a TV co-commentator for matches of the Germany national team.

In March 2004, he was named by Pelé as one of the top 125 greatest living footballers.

His brother Michael Rummenigge was also a noteworthy footballer. He played as forward for Bayern Munich and Borussia Dortmund from 1982 to 1988 and 1988 to 1994, respectively. He also represented Germany on two occasions between 1983 and 1986.

Rummenigge and his wife Martina have three sons and two daughters born between 1980 and 1991.^[8]

Rummenigge supports ending the 50+1 rule.^[9]

Introdução: o que significa um site de apostas ser confiável?

No mundo cada vez mais digitalizado em bet pt site que vivemos, a preocupação com a segurança online deve ser prioridade máxima. Isso é especialmente verdade ao lidarmos com nossas finanças online e informações pessoais, especialmente no universo do iGaming. Mas o que significa um site de apostas ser confiável? Há vários fatores para considerar, tais como licenciamento, segurança, proteção de dados, suporte ao cliente e mais. Neste artigo, nós daremos uma olhada extensa na 6bet.bet e analisaremos cada aspecto essencial para entender se essa plataforma é uma escolha confiável para suas necessidades de aposta online.

Licenciamento e reputação: antecedentes de 6bet.bet

A primeira pergunta que devem ser feita ao escolher um site de apostas é se a plataforma tem uma licença válida para operar. As autoridades reguladoras locais e internacionais são responsáveis por conceder e regular as permissões e garantir que as plataformas operem de acordo com as leis e regulamentos relevantes. Além disso, a reputação da plataforma entre jogadores e profissionais da indústria é um indicador importante de seu cumprimento de compromissos e normas éticas.

Em termos de licenciamento, relatamos que a 6bet.bet detém uma licença válida para operar, demonstrando assim seu compromisso com o cumprimento dos processos regulamentares e dos padrões éticos necessários para fornecer um ambiente de aposta seguro. Além disso, a revisão completa da reputação da 6bet.bet mostra reclamações mínimas e vários elogios ao seu excelente serviço, tanto avaliados por especialistas do setor quanto pelo público em bet pt site geral.

A NASA está programada para lançar o primeiro de dois satélites de pesquisa para medir quanta energia térmica é perdida para o espaço no Ártico e na Antártida.

O pequeno satélite do tamanho de uma caixa de sapato deve ser lançado no sábado a bordo de um foguete eletrônico da Rocket Lab a partir do complexo de lançamento da Rocket Lab bet pt site Mahia, na Nova Zelândia, durante uma janela que se abre às 7:15 horas locais (3:15 da manhã ET).

A missão científica do clima, conhecida como Experimento de Energia Radiante Polar no Infravermelho Distante, ou PREFIRE, visa aprimorar a compreensão dos cientistas sobre como vapor d'água, nuvens e outros elementos da atmosfera terrestre retêm calor e o impedem de irradiar para o espaço.

Os dados coletados devem informar modelos climáticos e, espera-se, conduzir a melhores previsões de como a crise climática afetará os níveis do mar, o tempo, a cobertura de neve e gelo, disse a NASA.

A Terra absorve muita energia do sol nas regiões tropicais. O tempo e as correntes oceânicas movem essa energia térmica para as regiões polares, onde o calor irradia para o espaço. Grande parte dessa energia está nas longitudes de onda infravermelha distante e nunca foi medida sistematicamente antes, acrescentou a NASA.

PREFIRE é composto por dois CubeSats equipados com sensores de calor especializados miniaturizados. A data de lançamento do segundo satélite será anunciada brevemente após o lançamento do primeiro satélite, disse a NASA.

Ao ser lançados, os dois satélites estarão bet pt site órbitas polares quase-síncronas - passando sobre um determinado local bet pt site momentos diferentes, observando a mesma área dentro de horas um do outro.

Isso deve permitir que os satélites colem dados sobre fenômenos que ocorrem bet pt site escala de tempo curta e exigem medições frequentes - como a quantidade de cobertura nuvens afeta a temperatura na Terra abaixo dela.
