Eduardo's app, called "Goal!" claims to offer the best odds, real-time updates, and exclusive promotions. It's designed to provide an enjoyable and profitable experience for those who share Eduardo's passion for football. With the app, users can place bets on various aspects of the game, such as goalscorers, match winners, and even corner kicks. An advocate for responsible gambling, Eduardo also ensures that the app provides users with resources to maintain responsible gambling practices.

Eduardo's motivation for developing the app came from his own experiences. As a student, he often found himself placing bets through illicit means. He saw many others in the same situation, struggling to find reliable and reputable sources for their betting needs. This sparked an idea – create a reliable and user-friendly platform that caters to Brazilian football enthusiasts like himself. Funding was the next hurdle. As a Start-Up, Eduardo's financial resources were limited. He had to invest his savings, which he supplemented by winning bets on football matches. The development of the App cost R R\$15.000 ( around R\$3.000 US Dollar of the time) over 18 months. To make ends meet, Eduardo and his team scrimped on expenses, living frugally to stretch their budget. Success!
