Betting Markets and Promos

When landing on the NetBet website, users can

choose to bet on various markets. From Football and Rugby to Handball and even Ice Hockey, when it comes to markets, NetBet covers it all. The most bet-on markets amongst

NetBet players are Football, Tennis, Horse Racing, Greyhound, Basketball, Cricket, American Football, Golf, Aussie Rules, Baseball, Boxing, Cycling, Darts, Ice Hockey,

MMA, Motor Racing, Rugby Union and Rugby League. These are in addition to more niche markets such as Gaelic Football, eSports, Floorball, Virtual Sports and so much more.

As well as an impressive selection of markets to bet on, NetBet also has a large number of progressive betting features to boast. Below are the stand-out, notable features bettors can make use of.

In-play Betting: In addition to your conventional

pre-event bets, players signed up to NetBet can bet in-play using the site's live

betting feature. The option to bet in-play covers a wide spectrum of markets, including

Football, Rugby, Boxing, Tennis and many more. There are also some pretty competitive betting odds to be made use of when betting in the live markets. What's more, odds can

be displayed in decimal, fractional and American formats. Cash Out: NetBet is one of the many online betting sites now offering a cash out feature. Cash out allows bettors to get money back on a bet before the event has finished. Add2Bet: The Add2Bet feature is rather clever, giving bettors the option to add new selections to an existing open bet. There is also the option to modify said bet, even while the event is taking place. Those signed up to the site can access an animated video to learn more about this particular feature. SnapBet: The SnapBet feature permits bettors to make snap betting decisions, predicting whether there will be a goal in the next 30 seconds, 1 minute, 5 minutes or 10 minutes of the game that is currently in-play and being bet on. BetMaker: BetMaker is a unique feature that gives players the option to personalise bets and access previously unavailable same-event selections in an accumulator. Full Time, 1st Half, 2nd Half, Goals, Corners, Bookings, Goalscorers and Special bets can all be included. Statistics: If you are a bettor that likes to study form and analysis before placing a bet, you will be glad to see the statistics feature integrated into the NetBet platform. Here, players can see live stats on a variety of markets, helping them make more informed betting decisions based on facts and figures.

Free Bet Offers

Free

bet offers are a prominent feature of the NetBet promotions page, with both matched deposit bonuses and risk-free bonuses available. Free bets almost always make up the sign up offer too, meaning new players can get a feel for the site, take a risk with their first bet and it not cost them a penny.

Although the welcome free bet is the

promotion most are interested in, it is just one of many different types of promotional offerings featured on the NetBet platform. Other deals include weekly tennis free bets, acca insurance deals, matched bonuses and more. All of these deals can be accessed via the 'Promotions' tab or the 'Latest Offers' section on the right-hand side of the homepage.

From a customer service point of view, NetBet is a great betting site, with its support team accessible every day, around the clock. With quick response times paired with a range of contact options, NetBet ensures it is always at hand to help its players. If you do wish to contact the customer service team at NetBet, you can select the 'Contact' option on the website and choose to get in touch via email, telephone or on the site via its instant messenger service.

Working with a unique set of markets and

lots of incredible features, it is understandable that those new to the platform may have questions they need answering. This is why NetBet has developed its Help Centre; a central place where the replies to commonly asked questions are answers. Many of these surround using the site and claiming the promotions available.
