British online gambling operator

Sportingbet is a British online gambling operator, owned by Entain plc. The company was listed on the London Stock Exchange and was a constituent of the FTSE SmallCap Index prior to its acquisition by GVC holdings.

History [ edit ]

The company was founded by Mark Blandford in 1997.[2]

Sportingbet acquired Paradise Poker in October 2004.[3] On 7 September 2006 Sportingbet reported that its then chairman, Peter Dicks, was detained in New York City on a Louisiana warrant while traveling in the United States on business unrelated to online gambling.[4] Louisiana is one of the few states that has a specific law prohibiting gambling online. In March 2007, all Louisiana warrants involving the company were cancelled.[5]

In October 2006, Sportingbet announced Paradise Poker would stop taking deposits from US customers, although most would be allowed to continue to play for another month.[6] Additionally, Sportingbet sold all its US-facing sports betting and casino businesses, including Sportsbook and Sports, to a group of private investors for R\$1, and an assumption of R\$13.2 million in debts.[7]

In February 2007, Sportingbet announced it was eliminating its Paradise Poker software and migrating players to its Sportingbet Poker platform. Prior to this, the two platforms had approximately the same number of players, but the Sportingbet platform had higher liquidity because that platform was part of a larger network. The brand name of Paradise Poker was retained.[8]

In 2008, Netbet (Pty) Ltd, a company in South Africa, licensed the Sportingbet brand for online gambling in South Africa.

In October 2012, Sportingbet

announced its board had agreed to preliminary terms for a £530 million takeover bid from UK bookmaker William Hill and Isle of Man-based GVC Holdings.[9] Under the terms, Sportingbet's Australian and Spanish operations were bought by William Hill.[10]

Operations [ edit ]

Sportingbet operates local-focused sportsbooks, virtual games and casino sites, and the online poker cardroom, Paradise Poker. Overall, the company has over 2.5 million registered customers in 200 countries, who place over one million bets (casino, poker, sports and virtual games) per day.

Sportingbet operates several websites. The largest of these are wholly owned and operated by Sportingbet. They also use a system similar to a franchise, in which independent website operators use Sportingbet's centralised software, financial services, trading, and customer service under license. These web sites receive a cut of the profits their customers generate.

Sportingbet's corporate offices are located in Guernsey. They also have offices and call centres in the Republic of Ireland and Costa Rica. The PLC is located in Moorgate, London.

The company sponsored Premier League, Championship and League One football team Wolverhampton Wanderers from the 2009–10 season until the 2013–14 season.[11] This link-up with a football club first began in January 2009, when Bulgarian football club Slavia Sofia announced a 3-year sponsoring deal. As a result, the logo of the company appeared on the club's shirts for the 2008–09, 2009–10 and 2010–11 seasons of the Bulgarian A PFG. Sportingbet also sponsored Steaua Bucuresti of Romania for the 2009–10 and 2010–11 season. The logo also appeared on Steaua Bucuresti II, Steaua's reserve team's shirt, which now plays in Liga. Sportingbet also sponsored division 1 Victorian amateur football team Banyule FC for the 2010–2011 seasons.[12]

PAOK FC[13] (2024–2024)

CFR Cluj (2024–present)

Série B[14] (2024)

Copa

Libertadores[15] (Brazil only) (2024–present)

Copa Sudamericana[15] (Brazil only)  
(2024–present)

## **John Galliano: una leyenda de la moda que cayó y resucitó**

Para aquellos que se quejan sobre las injusticias de la supuesta "cultura de la cancelación", la

carrera del diseñador de moda británico John Galliano es un contrapunto útil. Despedido en 2011 como director creativo de Christian Dior después de un incidente vergonzoso de abuso antisemita, pasó dos años en el limbo antes de ser contratado por Oscar de la Renta y posteriormente por Maison Margiela, donde ha estado durante una década. Las estrellas aún llevan sus vestidos en las alfombras rojas. El documental de Kevin Macdonald **High & Low: John Galliano** (disponible en Mubi a partir del 26 de abril) retrata el ascenso y caída y resurrección de Galliano con una mirada más distante y crítica de lo que podría esperar de una película coproducida por *Vogue* editorial Condé Nast. Hay apreciación merecida de su distintivo sentido del diseño, pero también un escrutinio agudo de las deficiencias personales habilitadas por una industria indulgente y permisiva.

Con su desenfreno y capacidad para los malos comportamientos, la industria de la confección siempre ha sido un gran tema para las películas: la ropa proporciona el atractivo visual mientras que el negocio volátil de todo proporciona la emoción. La película de Macdonald es la última en una serie reciente de documentales de moda finos: Ian Bonhôte y Peter Ettedgui's **McQueen** le contó la historia markedly más trágica de Alexander McQueen, el niño terrible infausto de la industria, con un flamboyance formal bien emparejado a su extravagante estética y una consideración humana de sus demonios. Frédéric Tcheng's **Dior y yo** no está tan cargado de patetismo en su panorama espectacular de la temporada debut del diseñador Raf Simons para la casa de moda francesa venerable, pero es convincente en su detalle de proceso creativo. El mismo cineasta también hizo **Halston**, un retrato travieso pero convincente del diseñador de la era disco, quien pasó de ser un influyente influyente al venderse a sí mismo antes de su muerte relacionada con el SIDA en 1990.

## La moda en el cine francés: biopics y satiras

Los franceses tienen la costumbre de hacer biopics de sus íconos de la moda más venerados en pares casi simultáneos: en 2009 tuvimos dos dramas de Coco Chanel, con el de Audrey Tautou encabezado **Coco Before Chanel** focus más en el trabajo de la tema que la versión más imaginada a la locura y romántica **Coco Chanel & Igor Stravinsky**, con un Mads Mikkelsen apasionado como el amante supuestamente famoso de Chanel. Cinco años después sucedió de nuevo. Con un desempeño de César galardonado por Pierre Niney, **Yves Saint Laurent** dio una descripción profesional de la carrera y las relaciones clave del innovador homosexual, pero un par de meses después fue el *Saint Laurent* más brillante y exagerado de Bertrand Bonello lo que capturó su sensual energía salvaje. Extraño, entonces, que la última no se pueda encontrar en streaming en el Reino Unido, aunque vale la pena comprar el DVD. En todas las cuatro películas hay una reverencia por la ropa en sí misma que podría esperar de los cineastas franceses.
