The Taliban suspended activities at two stations in Afghanistan, claiming that they do not consider "national and Islamic values".

A member of the Commission for Violations of the Means of the Ministry of Information, Hafizullah Barakzai said that a court will investigate the files at the two stations based onabet for balanitis Kabul. Noor TV and the television barya cannot operate until the judgment gives its verdict. "Despite repeated warnings and recommendations, Noor TV did not follow journalistic principles", said Barakzai.

He did not give more details about the alleged violations.

Many journalists lost their jobs after the acquisition of Taleban onabet for balanitis 2024, with the means of communication closing for lack of funds or because onabet for balanitis team left the country. Women journalists face additional difficulties due to prohibitions and restrictions on travel to work ndice 1 Results: WEB

There were no immediate comments from the two stations, but Noor TV started onabet for balanitis 2007, and is supported by the former minister of Foreign Relations of the country.

Barya TV started operations onabet for balanitis 2024 and is owned by the former prime minister Gulbuddin Hekmatyar, leader of the war party Hizb -e Islami which is still based in the capital Kabul.

The Center of Journalists in Afghanistan called the suspensions an illegal act by the government controlled by the Taliban. It also said that they were just another step onabet for balanitis direction to new media restrictions in the country, and the report also says:

In its 2024 annual report, the center said that it documented at least 168 cases onabet for balanitis violations of journalists' rights.

Although the numbers reflected a decrease onabet for balanitis comparison with 2024, when the center registered 260 incidents 8 means of communication were prohibited in 2024. Five were temporarily prevented from operating and three remained banned.

Despite promising a more moderate rule, the Taliban imposed an onabet for balanitis interpretation of Islamic law onabet for balanitis many aspects of daily life.

During onabet for balanitis first time in power, in the 1990s the Taliban banned most newspapers and radio in the country.
