Use the arrow buttons to move Fireboy and Watergirl along each maze in the forest temple. How do you control Fireboy and Watergirl? The on-screen arrow buttons control which character you're playing as. When you are running, the other direction becomes a jump button. The arrow in the middle tells you which character you are currently controlling. Tap it or either character to switch between Fireboy and Watergirl. Avoid the Green Lake This one is pretty straightforward, we know that as elementals Fireboy can only go on fire and Watergirl can only go in water, but what about the green lake? Both Fireboy and Watergirl have to avoid the green lake. Remember that if one of

the characters die you have to restart. Work Together It might be tempting to run ahead with one character and try to finish the level with them before you go to the other, but there are many levels where this is simply impossible. Some levels have switches and buttons that require you to use both characters to get through. Make sure to use both Fireboy and Watergirl in tandem to help you beat each level. Study The Level Before One helpful tip you can use is to study the level before you try to beat it. Take a second to look over the level, and see what kind of obstacles are in your way. Take note of the “danger” areas or areas with green lakes. Once you know where all the obstacles are you can start to plan out how you want to beat the level. Taking a second to look over the level beforehand can go a long way in helping you beat all the levels. Play With a Friend Playing with a friend can be a great way to beat all the levels on Fireboy and Watergirl. One player can control Fireboy while the other can control Watergirl. This splits the work of the elemental duo in half and makes it so you only need to focus on one character. Plus who doesn't love playing games with their friend? FAQ

Use the keyboard to move Fireboy and Watergirl online through the maze and collect diamonds on the way to the exits. How do you control Fireboy and Watergirl? Use the A,W,D keys to move Watergirl and use the arrow keys to move Fireboy. Since fire and water elements don't mix, be sure to not let Fireboy go in the water and don't let Watergirl get burned in the fire. Now that you know the controls, lets go over some helpful tips and tricks. Avoid the Green Lake This one is pretty straightforward, we know that as elementals Fireboy can only go on fire and Watergirl can only go in water, but what about the green lake? Can you play Fireboy and Watergirl online by yourself? Fireboy and Watergirl was designed to be played together with a friend on one keyboard, but since the classic game's original release many players have seen it as the ultimate challenge to complete the game by yourself. Try the challenge by using two hands two control both Fireboy and Watergirl at the same time! How many levels are there in Fireboy and Watergirl? There are 32 levels in Fireboy and Watergirl in the Forest Temple. Each level gets progressively harder, with longer jumps and trickier puzzles. It will take excellent timing and reflexes in order to make it to the end and escape the temple. When did Fireboy and Watergirl in the Forest Temple come out? The first game came out in November of 2009. This means that Fireboy and Watergirl is over a decade old! Despite its age, Fireboy and Watergirl has stayed relevant due to the fun puzzles, intense gameplay, and the option for players to team up with a friend to take down all 32 levels. How many Fireboy and Watergirl games are there? Currently, there are 6 Fireboy and Watergirl games on Coolmath Games. While they all follow the same co-op platformer game format, all six games actually vary quite a bit. While the first Fireboy and Watergirl is pretty straightforward, the sequels offer fun variations such as icy terrains, helpful fairies, and mysterious portals.
