French Roulette: a Beginner's Guide to the Best Roulette Wheel

When you play online

casino games for real money, you want 0 the best value and the best possible return.

So

it's vital that you choose the right roulette rules if you want 0 to play online roulette games, or you could miss out.

For some bets, the French Roulette cuts the house edge to

0 as little as 1.35%, which significantly improves your chances of winning compared to the 5.26% edge in the American version 0 of the game.

What is French Roulette

Online French

Roulette uses 0 the original version of the game, which legend has it, is based on failed experiments to create a perpetual motion 0 machine by scientist Blaise Pascal in the 18th century.

In the mid-19th century, the game was taken across the water to 0 America where they made changes to the wheel to increase the house edge, as well as changes to the playing 0 table and the rules.

This means that the French Roulette table looks different,

has more betting opportunities and delivers a better 0 return to the player.

So, whenever

you have the option, the French Roulette wheel should always be your first choice.

Differences between 0 French and American Roulette

The biggest difference between

the American and either the European or the French Roulette game is the 0 number of zeros on the wheel.

An American Roulette wheel has both zero and double zero, setting the

house edge at 0 5.26%, whereas a European or French Roulette wheel has just one, cutting the house edge in half to just 2.7%.

What's 0 more, the unique rules of the French game

can cut that edge in half again, reducing their take to just 0 1.35% on even money bets.

The playing tables are subtly different too, with the outside bets on an American or European 0 Roulette table all down one side, while the outside bets are split either side on the French Roulette table.

Even the 0 numbers on the wheel can be different, with American numbers usually facing out and European or French numbers facing in.

The 0 Basic

Bets in French Roulette

The aim of the game in all styles of Roulette is to predict where the ball 0 lands when the Roulette wheel stops spinning.

The croupier will spin the

wheel one way and set the ball in motion 0 in the other direction, and it will spin until the ball lands in a numbered slot.

There are a number of 0 basic bets you can make on the outcome, and each bet includes one or more possible numbers. These are grouped 0 into inside and outside bets as follows:

Inside Bets in French Roulette

Bet Bet Description

Payout Straight bet Choosing a single number 0 from the 36 available 35:1 Split bet

Choosing two adjacent numbers on the grid 17:1 Street bet Choosing a row 0 of three

numbers 11:1 Corner bet Choosing a group of four numbers 8:1 Line bet Choosing two adjacent rows of 0 numbers 5:1

Note: the street and corner bets may also include the zero

Outside Bets in French Roulette

One of the first things 0 you will notice in a

French Roulette game is that when it comes to the outside bets, the table is 0 in French.

These bets translate as follows:

Bet Bet Description Payout Column bet Choosing

one of the three columns of numbers 2:1 0 Douzaine = Dozen bet Choosing the Premier (first), Moyenne (second) or Derniere (third) set of 12 2:1 Rouge/Noir = Red/Black 0 bet

Choosing any red or black number 1:1 Pair/Impair = Odd/even bet Choosing an odd or even number 1:1 Manque/Passe 0 = Low/high bet Choosing 1-18 or 19-36 1:1

Note: the

Douzaine/Dozen bet is shown as 12P, 12M or 12D.

A Second Chance 0 for Even Money Bets

In

the American or European Roulette wheel, if the balls lands in the zero slot, you will 0 lose any even-money bets, such as red/black or odd/even.

When you play on the French

Roulette wheel, you don't lose: you 0 get a second chance.

This can happen in one of two

ways:

En Prison rule: any losing even-money bet remains on the 0 table and is imprisoned until the next spin. If it is a winner on that spin, the stake is returned 0 to the player.

any losing even-money bet remains on the table and is imprisoned until the next

spin. If it is 0 a winner on that spin, the stake is returned to the player. Le Partage

rule: any losing even-money bet is 0 split 50:50 between the player and the house, so you only lose half of your stake.

Different casinos play different rules, 0 so it is

important to know what the house roulette rules are for even-money bets before you start to play.

Advanced 0 Bets in French Roulette

As you get more experienced with the standard bets, or bored with the same old wagers, you can move on to what are called announced or called bets.

These may seem intimidating at first because of their exotic

French names, but they are quite straightforward when you get the hang of them.

The

main announced bets in the game of French Roulette are:

Voisins du Zero (neighbours of

zero): all numbers on the wheel between 22 and 25. This bet involves nine chips spread between splits, corners and threesomes of these numbers.

all numbers on the wheel

between 22 and 25. This bet involves nine chips spread between splits, corners and

threesomes of these numbers. Le Tiers du Cylinder (thirds of the wheel): all numbers

opposite zero, from 27 to 33. This bet involves six chips placed as splits between

these numbers

all numbers opposite zero, from 27 to 33. This bet involves six chips

placed as splits between these numbers Jeu Zero (zero game): the six numbers either

side of zero and the zero itself. This bet is played as three splits and a straight bet

on 26

the six numbers either side of zero and the zero itself. This bet is played as

three splits and a straight bet on 26 Orphelins (orphans): the eight numbers not

included in the above bets. This can be played as orphelins en cheval, costing five

chips as four splits and a straight bet on 1, or as orphelins en plein, costing eight

chips as straight bets on each number

the eight numbers not included in the above bets.

This can be played as orphelins en cheval, costing five chips as four splits and a

straight bet on 1, or as orphelins en plein, costing eight chips as straight bets on

each number Finales: bets on all the numbers ending in a certain number (eg 6,16,26 and

36). Can be placed as either finales en plein (single number) or finales a cheval

(either of two numbers). The stake varies according to the number of possibilities.

At

the end of the day, whether you have a favorite number at your online casino, or you

prefer the coin-toss of an even money bet, French Roulette is by far your best route to

the best odds, cutting the house edge by half or even three-quarters.

So, choose your

game carefully, place your bets and... vive la France!

Tadej Pogacar domina Giro d'Italia de 2024 y aumenta su ventaja en el Tour de Francia

No hay quien pare a Tadej Pogacar. El ganador del Giro d'Italia de 2024 consolidó su agarre en la camiseta amarilla, con solo dos etapas restantes en el Tour de Francia de 2024, después de una victoria en solitario en la etapa 19 hasta Isola 2000.

En otra demostración de fuerza abrumadora, Pogacar, del equipo UAE Emirates, aplastó a sus rivales más cercanos, Jonas Vingegaard de Visma Lease-a-bike y a Remco Evenepoel de Soudal Quick Step, en los pasos de alta altitud de los Alpes Mercantour.

Fue la décima victoria de etapa de Gran Tour de 2024 del esloveno.

Venganza contra Vingegaard

Esta fue la venganza de Pogacar por las humillaciones pasadas a manos de Vingegaard y su equipo. Abandonado en los Alpes por Vingegaard en 2023 y 2024, el esloveno de 25 años se tomó una brutal revancha, aumentando su ventaja sobre el campeón defensor a 1:42 a más de cinco minutos.

Casi en la línea de meta, Pogacar también negó la primera victoria de etapa en el Tour al compañero de equipo de Vingegaard, Matteo Jorgenson.

Sin piedad en la cima

Se había especulado sobre la supuesta vulnerabilidad de Pogacar en altura, pero no solo sobrevivió en la cima más alta del Tour, el Cime de la Bonette, sino que también amplió su ventaja en la clasificación general y reafirmó su superioridad sobre todos en el pelotón.

El escenario se invierte

Se esperaba que el campeón defensor Vingegaard, capaz en años anteriores de exponer la supuesta debilidad de Pogacar en las subidas más empinadas, brillara en la etapa.

Sin embargo, se revirtió la situación y fue el danés quien sufrió, y no Pogacar quien se benefició.

Una advertencia para Pogacar

Aunque quedan una etapa de montaña y una contrarreloj, el Tour está prácticamente ganado para Pogacar. Sin embargo, el esloveno ha recibido una advertencia de dos ex campeones de Grand Tour, uno despojado de sus logros y el otro con su imagen pública intacta, sobre mostrar arrogancia.
