Using a bet calculator gives you a simple yet powerful way of fully understanding your wagers. This easy-to-use tool lets you see in a flash how much you could win if your prediction comes true. Just fill in a few basic details and you'll instantly see the potential winnings so that you can then decide if it's worth a flutter or not. Paddy's bet calculator includes all the bet types and conditions that you'll find across our site. This includes each-way bets, accumulators, and the rest. So, let's see how it works for you to understand the full value of any punts placed.

Stake – this is how much you plan to wager on the bet

Conditions – you have the chance to add any special terms you want to include

You can then look at the win/lose/void section, which is automatically set to 'win' when you start.

Let's start with the easiest example of a single bet, where you need to complete the following fields:
