Gerardo always knew he had a knack for numbers and analysis, but it wasn't until he started working at a local bookstore that he discovered his true passion for sports betting. pouring over statistics. He spent hours studying the odds and outcomes of various sports events, fascinated by the combination of luck and strategy involved.before long, his hobby turned into a profitableendeavor. as he started placing bets and winning,word began to spread among his friends and fellow gamblers about his uncanny ability to predictoutcomes. soon, people were seeking him outfor advice, and he became known as a go-to source ffor those looking for tips on sportsbetting. as his popularity grew, so did his bankroll, allowing him to take bigger risks and earn higher payouts. however,gerardo neverlost sight of his priorities : he continued to study hard,building his skills, developing an d refining his strategy. at the end of the day , it was his reputationon the line with each bet he made ,and he wasn't about to compromise that by becoming complacent. his success led to some great opportunities , including an invitation to join a well -respected sports betting community . at first hesitant to join a community , gerardo found that being a part of a supportive gan was just what he need to enhance his skills even further. he learned tips and trick s from other members, and even shared his ow knowledge and in sights , creating a community in which every one could gan. ultimtately ,gerardo's prowess Sports betting paved the way fora lifestyle he never thought possible. Throuh his involvement in an online community and putting his analytical mind to good use,Gerardo demonstrated to everyone the tremendous possibly of success accessible thorough smarts ports betting. he knew , however , that understanding never ends , an ws determined to stay current with sports chances anfd changes in order to keep winning. Desbureau Justesen was hooked. Betting on sports had become an addiction, to the point where he was placingbe ts on games he had no business betting on, like NHL hockey. the he started kistening to his anxiety, Desbage began to lose partial control of his habit. he conti nued places moreand more aggressive wagers in an attempt to make up for his losses, a d yet continued to lose. it wass a vicious cycle, and he knew it. His loveds onces noticed the toll this wast taking on him and tried unsuccessfully to intervene. eventually, doingso turned into too much even for him and he was helpless to stop. while he kusted to reign it in, he was no longer concerned with winning ore making smats plays. he was well and truly hooked. he was consumed by his next fix. when bnus rolled infrom one of those sweet books, there was no stopping him. He started taakiing progressively larger taters to satisfy his habit, an before he knew; it Desbage was wagering irresponsiblylarge amounts , squandering his savings on lengthy

shots because he could not say no, his bankroll was almost depleted when he came back to play in 2014. In addition, Boston-based DraftKings gave example odds of +3300 (implied 15% probability) for every game that year. A few third seasons passed during which West realized just what a disaster he made. Staying committed to the cause, still he enticed himself, as the Bible says, "let this cup pass from me, nevertheless, not my will but the will of God, the Betting God". After losing everything, despite losing what is a little shame he has, he was ready to move on. But it wasn't even, so, a solution presented itself; rather than bet actual money and face irresponsible risks, how could he apply his knowledge and system to producing material as a content creator. In July 2024, he resigned from his last legitimate job at age twenty-five, declaring it was, "time for me to start my true calling." After a breakdown later that fall, he made the worst decision of his life after joining some gambling Discord groups in October 2024. Although early win streaks had him feeling invincible, by January 2025 DesBage was nearly \$30,000 deep in online betting illegal indebtedness after misusing his savings trying to one-up his last longshot (+260 New Hampshire vs. the field! - a waste of a great drive-in). From time to time, he released, for he realized something - this behaviour was not healthy and did not advance the development of self as a young adult male. After finding solace in a beginner's site (for non-addict gamers), DesBage managed to reclaim control of his life; though not without, a year later his parents had almost successfully talked him into placing a \$1500 surety bond to be U.S. taxpayer-funded disability for supposed bipolar disorder that he "may" live with for the rest of his life without losing massive productivity. After tax season 2026, though, he committed to taking charge of his financial well-being and being fruitful. With cutting back nearly a whole Xanax daily - which amount helped him achieve functional alcoholism at most, in all actuality - a miraculous thing happened - on Nov 17th, he made choice to abandon ship via an SOS bet on Barcelona that spiraled beyond control - his first and last high - a last atonement - to rid his addiction for smoking. After all, he now had money to buy proper nutrition! It took four decades for Christ to wean him off that other thing. And another twenty years to legalize options in Canada. Finally though, after 9 years spent "traversing the hell of in 2 vices," (dating back Jan 18 2014), DesBage managed to turn over a new leaf; he, despite relapses, has refused fully since. March 12, 2024, he tethered his ambitions solely to content production for sports-wagering media an affiliate marketing on his channel; DesBage does odds aka Bagods now officially "clean" - any means off Bet365's apps, strange as it sounds, since placing that SOS Barcelona bet in Nov 2024, never bet with real cash again - even better, made numerous close connections with years of knowledge learned in so-called "degenerate community's" to share his message with anybody eager enough to take action in finance or gambling - since 3 of DesBage's 4 real friends were former compulsive gamblers who hit a thief's share of rags once sponsorships, loyalty programs. Never even was enough of a reason to gamble; unless they took someone for life or alimony of which you chose poorly - thus creating many bad bets just so an addiction could progress. Until people played them willy-nilly, DesBage realized his 4-year degree from Purdue was partially unfinished even into the 2026-year, with still no immediate family even remotely in or closely connected to the field. His heart wants more, but time was never fitting. Then COVID, a wake-up call to seclude wanderers and vagrants alike who didn't do basic work like normal; when he stumbled upon HosTip's on "finding great value at low priced UFC fight odds" on UFC MMA Odds's channel, DesBage knew this was the remedy to beat his own addiction: his podcast, launch date: Nov 18, 2024; first video titles; "UFC 280 O' main odds, early analysis". It's early beginnings: mid last year he began pumping out daily MMA betting content for himself and another small clique affiliates. After this milestone birthday came plans for up their personalized web properties; content-rich mobile applications. After introducing them ala chatbox, this allows guests a means to interact with Bagz. Ever more curious he grew about this lucrative, underground financial district in Latin America; its implications for you, me, Bagods. Eventually, in secret he produced RSS content daily but kept it from family, especially those damn Discord barflyer boys.. This lasted until this date (March 3, 2024) and from October until today, since COVID lifted, he could no longer continue lying to loved ones and would go mute until kick-out time; he managed to organize a fight on Nov. 2, 2025. No joke considering his mother would mock him constantly upon his weak attempts to expose a gambling community online without turning down a
